

HB 1203 -- REVENGE PORNOGRAPHY

SPONSOR: Engler

This bill specifies that a person commits the crime of revenge pornography, a class D felony, if he or she, knowing that he or she is not licensed or privileged to do so, purposely and knowingly:

- (1) Observes another person exposing intimate body parts or engaging in a sexual act without his or her consent or under circumstances in which a reasonable person would not expect to be observed;
- (2) Reproduces the image of another person whose intimate parts are exposed or who is engaged in a sexual act without his or her consent and under circumstances in which a reasonable person would not expect to be observed; or
- (3) Discloses any reproduction of the image of another person whose intimate parts are exposed or who is engaged in a sexual act unless that person has consented to the disclosure.

It will be a defense to any prosecution of these provisions if the person is engaged in lawful law enforcement duties, lawful medical practices or treatment, certain legal proceedings, or the reporting of unlawful conduct or the individual consents to the disclosure of the images.
