

HB 1307 -- WAITING PERIOD FOR ABORTIONS

SPONSOR: Elmer

Currently, there is a minimum 24-hour waiting period before a woman can have an abortion. This bill increases the minimum waiting period to 72 hours.

The bill specifies that if any or all of these provisions are ever temporarily or permanently restrained or enjoined by judicial order, the provisions must be enforced as though the restrained or enjoined provisions had not been adopted but whenever the temporary or permanent retraining order or injunction is stayed or dissolved, or otherwise ceases to have effect, the provisions must have full force and effect.
