

SS SCS HB 1411 -- TANNING FACILITIES

This bill requires, prior to any individual younger than 17 years of age using a tanning device in a tanning facility, the parent or guardian of the individual to annually appear in person at the facility and sign an acknowledgment stating that he or she has read and understands the warnings given by the facility and consents to the minor's use of a tanning device at the facility.

The Department of Health and Senior Services must develop by rule a standard consent form to be used by all facilities operating in the state.

Any tanning facility violating the provisions of the bill is subject to a fine of \$100 for a first violation, \$250 for a second violation, and \$500 for each subsequent violation. Every use of a tanning device in a tanning facility in violation of these provisions is a separate offense.

The duties and penalties provided in these provisions must not take effect or be enforced until the department adopts a rule containing the standard consent form.
