

HB 1533 -- AUTOMATED TRAFFIC ENFORCEMENT

SPONSOR: Spencer

This bill prohibits the enforcement of automated traffic systems that establish a motor vehicle is not in compliance with traffic signals, speeds, or other traffic laws, ordinances, or rules on any public street, road, or highway in the state beginning August 28, 2014. Imposing any civil or criminal fines, fees, or penalties for the offenses will be prohibited.

Any county, city, town, village, municipality, state agency, or other political subdivision that currently has an automated traffic enforcement system installation or maintenance contract with a company or entity on August 28, 2014, will be required to complete or terminate the contract by September 1, 2015.
