

HB 1539 -- CONCEALED CARRY TESTING REQUIREMENTS

SPONSOR: Kelley (127)

Currently, an applicant for a concealed carry permit is required to perform a physical demonstration of his or her ability to safely load and unload a revolver and a semiautomatic pistol, a live firing exercise with both types of firearms, and a live firing test with both firearms.

This bill changes the requirement to demonstrate with only one firearm, either a revolver or semiautomatic pistol at the applicant's discretion.
