

HB 2061 -- COVENANTS NOT TO COMPETE

SPONSOR: Miller

This bill specifies that any covenant not to compete provision of an employment, partnership, or corporate agreement between a physician or other licensed medical professional that restricts the right of a physician licensed to practice medicine under Chapter 334, RSMo, or other licensed medical professional must be void upon termination of the agreement. All other provisions of the agreement must be enforceable, including provisions that require the payment of damages in an amount that is reasonably related to the injury suffered by reason of termination of the agreement. Any provisions that require the payment of damages upon termination of the agreement may include, but not be limited to, damages related to competition.
