

HJR 90 -- EARLY VOTING

SPONSOR: Dugger

Upon voter approval, this proposed constitutional amendment requires, beginning with the 2016 general election, the establishment of an early voting period from the seventh Tuesday until the first Tuesday prior to election day for all elections except local, special district, and municipal elections. All general election laws must apply to the early voting periods. These provisions cannot inhibit the right to vote by absentee ballot or any other method of voting allowed by general law. The General Assembly may regulate the early voting process by general law that is not inconsistent with the requirements of these provisions.
