Offered By

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 58, Page 6, Section 191.828, Line 25, by inserting immediately after said line the following:

"192.500. 1. For purposes of this section, the following terms shall mean:

(1) "Cone beam computed tomography system", a medical imaging device using x-ray computed tomography to capture data using a cone-shaped x-ray beam;

(2) "Panoramic x-ray system", an imaging device that captures the entire mouth in a single, two-dimensional image including the teeth, upper and lower jaws, and surrounding structures and tissues.

2. Cone beam computed tomography systems and panoramic x-ray systems shall not be required to be inspected more frequently than every six years.

3. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first two years after August 28, 2015, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
