than the seventh grade and continue in high school to an extent determined by the state commissioner of education, and shall continue in college and university courses to an extent determined by the state commissioner of higher education. In the 1990-91 school year and each year thereafter, local school districts maintaining high schools shall comply with the provisions of this section by offering in grade nine, ten, eleven, or twelve a course of instruction in the institutions, branches and functions of the government of the state of Missouri, including local governments, and of the government of the United States, and in the electoral process. A local school district maintaining such a high school shall require that prior to the completion of the twelfth grade each pupil who receives a high school diploma or certificate of graduation on or after January 1, 1994, shall satisfactorily complete such a course of study. Such course shall be of at least one semester in length and may be two semesters in length. The department of elementary and secondary education may provide assistance in developing such a course if the district requests assistance. A school district may elect to waive the requirements of this subsection for any student who transfers from outside the state to a Missouri high school if the student can furnish documentation deemed acceptable by the school district of the student's successful completion in any year from the ninth through the twelfth grade of a course of instruction in the institutions, branches, and functions of state government, including local governments, and of the government of the United States, and in the electoral process.

2. A student of a college or university, who, after having earned a passing grade in a course of instruction prescribed in this section, transfers to another college or university, is not required to earn a passing grade in another such course as a condition precedent to his or her graduation from the college or university.

3. American history courses at the elementary and secondary levels shall include in their proper time-line sequence specific referrals to the details and events of the racial equality movement that have caused major changes in United States and Missouri laws and attitudes.

[3.] 4. [No pupil shall receive a certificate of graduation from any public or private school other than private trade schools unless he has satisfactorily passed an examination on the provisions and principles of the Constitution of the United States and of the state of Missouri, and in American history and American institutions. A school district may elect to waive the requirements of this subsection for any student who transfers from outside the state to a Missouri high school if the student can furnish documentation deemed acceptable by the school district of the student's successful completion in any year from the ninth through the twelfth grade of a course of instruction in the institutions, branches, and functions of state government, including local governments, and of the government of the United States, and in the electoral process. A student of a college or university, who, after having completed a course of instruction prescribed in this section and successfully passed an examination on the United States Constitution, and in American history and American institutions required hereby, transfers to another college or university, is not required to complete another such course or pass another such examination as a condition precedent to his graduation from the college or university.] To receive a certificate of graduation, public or private schools other than private trade schools may require a passing score on an examination of the provisions and principles of the Constitution of the United States, the Constitution of the state of Missouri, or both the Constitution of the United States and of the state of Missouri.

1 [4.] 5. In the 1990-91 school year and each year thereafter, each school district maintaining a
 2 high school may annually nominate to the state board of education a student who has demonstrated
 3 knowledge of the principles of government and citizenship through academic achievement,
 4 participation in extracurricular activities, and service to the community. Annually, the state board of
 5 education shall select fifteen students from those nominated by the local school districts and shall
 6 recognize and award them for their academic achievement, participation and service.

7 [5.] 6. The provisions of this section shall not apply to students from foreign countries who
 8 are enrolled in public or private high schools in Missouri, if such students are foreign exchange
 9 students sponsored by a national organization recognized by the department of elementary and
 10 secondary education.: and

 12 Further amend said bill, Page 27, Section 170.029, Line 34 by inserting after said line the following:

13 "170.345. 1. This section shall be known as the "Missouri Civics Education Initiative".

14 2. Any student entering ninth grade after July 1, 2016, who is attending any public, charter,
 15 or private school except private trade schools, or a student seeking to complete a high school
 16 equivalency certificate shall, as a condition of high school graduation or its equivalent, take and
 17 receive a passing grade on a basic civics test similar to the civics portion of the United States
 18 Naturalization test, produced by the United States Citizenship and Immigration Services (USCIS).

19 3. The test required under subsection 2 of this section shall consist of questions used by the
 20 USCIS that are administered to applicants for United States citizenship. In order to receive a passing
 21 score on the test, a student shall answer at least sixty percent of the questions correctly.

22 4. Any student may take the test as many times as necessary for passage but shall receive a
 23 passing score prior to receiving a high school diploma, a certificate of high school graduation, or a
 24 high school equivalency certificate.

25 5. Every public school, charter school, private school except private trade schools, and the
 26 department of elementary and secondary education shall certify that a student has taken and received
 27 a passing grade on the test.

28 6. Each school district shall adopt a policy to permit the waiver of the requirements of this
 29 section for any student with a disability if recommended by the student's IEP committee. For
 30 purposes of this subsection, "IEP" means individualized education program."; and

31
 32 Further amend said bill by amending the title, enacting clause, and intersectional references
 33 accordingly.
