hospitals, nursing homes, and military bases;

- (2) "Locally grown agricultural products", food or fiber produced or processed by a small agribusiness or small farm;
- [(2)] (3) "Schools", includes any school in this state that maintains a food service program under the United States Department of Agriculture and administered by the school;
- [(3)] (4) "Small agribusiness", a qualifying agribusiness as defined in section 348.400, and located in Missouri with gross annual sales of less than five million dollars;
- [(4)] (5) "Small farm", a family-owned farm or family farm corporation as defined in section 350.010, and located in Missouri with less than two hundred fifty thousand dollars in gross sales per year.
- 2. There is hereby created a taskforce under the AgriMissouri marketing program established in section 261.230, which shall be known as the "[Farm-to-School] Farm-to-Table Taskforce". The taskforce shall be made up of at least one representative from each of the following [agencies]: the University of Missouri extension service, the department of agriculture, the department of corrections, the department of health and senior services, the department of elementary and secondary education, [and] the office of administration, and a representative from one of the military bases in the state. In addition, the director of the department of agriculture shall appoint [two persons] one person actively engaged in the practice of small agribusiness. In addition, the [director of the department of elementary and secondary commissioner of education shall appoint [two persons] one person from schools within the state who direct a food service program. The director of the department of corrections shall appoint one person employed as a correctional facility food service director. The director of the department of health and senior services shall appoint one person employed as a hospital or nursing home food service director. One representative for the department of agriculture shall serve as the chairperson for the taskforce and shall coordinate the taskforce meetings. The taskforce shall hold at least two meetings, but may hold more as it deems necessary to fulfill its requirements under this section. Staff of the department of agriculture may provide administrative assistance to the taskforce if such assistance is required.
 - 3. The mission of the taskforce is to provide recommendations for strategies that:
- (1) Allow [schools] <u>institutions</u> to more easily incorporate locally grown agricultural products into their cafeteria offerings, salad bars, and vending machines; and
- (2) Allow [schools] <u>institutions</u> to work with food service providers to ensure greater use of locally grown agricultural products by developing standardized language for food service contracts.
- 4. In fulfilling its mission under this section, the taskforce shall review various food service contracts of [schools] <u>institutions</u> within the state to identify standardized language that could be included in such contracts to allow [schools] <u>institutions</u> to more easily procure and use locally grown agricultural products.
- 5. The taskforce shall prepare a report containing its findings and recommendations and shall deliver such report to the governor, the general assembly, and to the director of each [agency] entity represented on the taskforce [by no later than December 31, 2015] no later than December thirty-first of each year.
- 6. In conducting its work, the taskforce may hold public meetings at which it may invite testimony from experts, or it may solicit information from any party it deems may have information relevant to its duties under this section.
 - [7. This section shall expire on December 31, 2015.]; and

Further amend said bill, Page 35, Section 347.048, Line 18, by inserting after all of said section and line the following:

- "348.407. 1. The authority shall develop and implement agricultural products utilization grants as provided in this section.
 - 2. The authority may reject any application for grants pursuant to this section.

- 3. The authority shall make grants, and may make loans or guaranteed loans from the grant fund to persons for the creation, development and operation, for up to three years from the time of application approval, of rural agricultural businesses whose projects add value to agricultural products and aid the economy of a rural community.
- 4. The authority may make loan guarantees to qualified agribusinesses for agricultural business development loans for businesses that aid in the economy of a rural community and support production agriculture or add value to agricultural products by providing necessary products and services for production or processing.
- 5. The authority may make grants, loans, or loan guarantees to Missouri businesses to access resources for accessing and processing locally grown agricultural products for use in [schools] institutions, as defined in section 262.962, within the state.
- 6. The authority may, upon the provision of a fee by the requesting person in an amount to be determined by the authority, provide for a feasibility study of the person's rural agricultural business concept.
- 7. Upon a determination by the authority that such concept is feasible and upon the provision of a fee by the requesting person, in an amount to be determined by the authority, the authority may then provide for a marketing study. Such marketing study shall be designed to determine whether such concept may be operated profitably.
- 8. Upon a determination by the authority that the concept may be operated profitably, the authority may provide for legal assistance to set up the business. Such legal assistance shall include, but not be limited to, providing advice and assistance on the form of business entity, the availability of tax credits and other assistance for which the business may qualify as well as helping the person apply for such assistance.
- 9. The authority may provide or facilitate loans or guaranteed loans for the business including, but not limited to, loans from the United States Department of Agriculture Rural Development Program, subject to availability. Such financial assistance may only be provided to feasible projects, and for an amount that is the least amount necessary to cause the project to occur, as determined by the authority. The authority may structure the financial assistance in a way that facilitates the project, but also provides for a compensatory return on investment or loan payment to the authority, based on the risk of the project.
- 10. The authority may provide for consulting services in the building of the physical facilities of the business.
 - 11. The authority may provide for consulting services in the operation of the business.
- 12. The authority may provide for such services through employees of the state or by contracting with private entities.
 - 13. The authority may consider the following in making the decision:
 - (1) The applicant's commitment to the project through the applicant's risk;
 - (2) Community involvement and support;
 - (3) The phase the project is in on an annual basis;
 - (4) The leaders and consultants chosen to direct the project;
 - (5) The amount needed for the project to achieve the bankable stage; and
- (6) The project's planning for long-term success through feasibility studies, marketing plans, and business plans.
- 14. The department of agriculture, the department of natural resources, the department of economic development and the University of Missouri may provide such assistance as is necessary

for the implementation and operation of this section. The authority may consult with other state and federal agencies as is necessary.

- 15. The authority may charge fees for the provision of any service pursuant to this section.
- 16. The authority may adopt rules to implement the provisions of this section.
- 17. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 348.005 to 348.180 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void."; and
