11 with the letters and numbers thereon right side up. The license plates on trailers, motorcycles,  
12 motortricycles and motorscooters shall be displayed on the rear of such vehicles either horizontally  
13 or vertically, with the letters and numbers [thereon right side up] plainly visible. The license plate  
14 on buses, other than school buses, and on trucks, tractors, truck tractors or truck-tractors licensed in

21 provided by law as evidence of the annual payment of registration fees and the current registration of  
22 a vehicle in lieu of the set of plates. Beginning January 1, 2010, the director may prescribe any  
23 additional information recorded on the tab or tabs to ensure that the tab or tabs positively correlate  
24 with the license plate or plates issued by the department of revenue for such vehicle. Such tabs shall  
25 be produced in each license bureau office.

26 (2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab  
27 or tabs in the designated area of the license plate, no more than one per plate.

28 (3) A tab or set of tabs issued by the director of revenue when attached to a vehicle in the  
29 prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been  
30 paid.

31 (4) Except as otherwise provided in this section, the director of revenue shall issue plates for  
32 a period of at least six years.

33 (5) For those commercial motor vehicles and trailers registered pursuant to section 301.041,  
34 the plate issued by the highways and transportation commission shall be a permanent nonexpiring  
35 license plate for which no tabs shall be issued. Nothing in this section shall relieve the owner of any  
36 vehicle permanently registered pursuant to this section from the obligation to pay the annual  
37 registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the  
38 highways and transportation commission upon the sale or disposal of the vehicle by the owner to  
39 whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a  
40 replacement commercial motor vehicle when the owner files a supplemental application with the  
41 Missouri highways and transportation commission for the registration of such replacement  
42 commercial motor vehicle. Upon payment of the annual registration fee, the highways and  
43 transportation commission shall issue a certificate of registration or other suitable evidence of  
44 payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle  
45 for which it is issued.

46 (6) Upon the sale or disposal of any vehicle permanently registered under this section, or  
47 upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such  
48 vehicle shall be returned to the highways and transportation commission and shall not be valid for

1 operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner  
2 files a supplemental application with the Missouri highways and transportation commission for the  
3 registration of such replacement vehicle. If a vehicle which is permanently registered under this  
4 section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be  
5 given credit for any unused portion of the annual registration fee when the vehicle is replaced by the  
6 purchase or lease of another vehicle during the registration year.

7 7. The director of revenue and the highways and transportation commission may prescribe  
8 rules and regulations for the effective administration of this section. No rule or portion of a rule  
9 promulgated under the authority of this section shall become effective unless it has been  
10 promulgated pursuant to the provisions of section 536.024.

11 8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles  
12 other than apportioned motor vehicles or commercial motor vehicles licensed in excess of eighteen  
13 thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed  
14 for eighteen thousand pounds that display special personalized license plates shall be subject to the  
15 provisions of subsections 1 and 2 of section 301.030.

16 9. No later than January 1, 2009, the director of revenue shall commence the reissuance of  
17 new license plates of such design as directed by the director consistent with the terms, conditions,  
18 and provisions of this section and this chapter. Except as otherwise provided in this section, in  
19 addition to all other fees required by law, applicants for registration of vehicles with license plates  
20 that expire during the period of reissuance, applicants for registration of trailers or semitrailers with  
21 license plates that expire during the period of reissuance and applicants for registration of vehicles  
22 that are to be issued new license plates during the period of reissuance shall pay the cost of the plates

24 persons receiving special license plates issued under section 301.073 or 301.443. Historic motor  
25 vehicle license plates registered pursuant to section 301.131 and specialized license plates are  
26 exempt from the provisions of this subsection. Except for new, replacement, and transfer  
27 applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers  
28 registered under section 301.041 are exempt from the provisions of this subsection."; and
