

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 457, Page 22,
2 Section 376.791, Line 12, by inserting after all of said section and line the following:

3
4 "Section 1. The task force directed to develop a strategy for implementation of a statewide
5 care delivery model for MO HealthNet managed care shall consider the following concepts and
6 proposals in its deliberations:

7 (1) The ramifications of implementing standardized utilization review protocols to be used by
8 all prepaid capitated health plans for determining medical necessity for MO HealthNet services and
9 for authorizing payment for such services with the active engagement of network health care
10 providers in developing such protocols;

11 (2) The potential for federal Medicaid statewide waivers or state plan amendments, or both,
12 to expand the flexibility of the MO HealthNet program and the capacity of the MO HealthNet
13 program to reimburse providers through prepaid capitated health plans. The deliberations of the task
14 force shall include the federal delivery system reform incentive payment initiative;

15 (3) The capacity of network adequacy standards and contracting requirements for MO
16 HealthNet prepaid capitated health plans to promote comparable access to adult and pediatric
17 primary care, specialty medical care, and behavioral health services as is provided to enrollees of
18 private insurance plans;

19 (4) The implementation of subsection 1 of section 208.950 regarding payment incentives to
20 promote the effectiveness of prepaid capitated health plans in curtailing nonemergency use of
21 hospital emergency department services and in meeting performance metrics regarding quality of
22 care and enrollee and provider satisfaction;

23 (5) The role of various models for delivering care management services to MO HealthNet
24 enrollees including, but not limited to, prepaid capitated health plans, administrative service
25 organizations, coordinated fee-for-service plans, direct health care services, and provider-sponsored
26 care management programs including accountable care organizations."; and
27

28 Further amend said bill by amending the title, enacting clause, and intersectional references
29 accordingly.
