HOUSE _____ AMENDMENT NO. _____

Offered By

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 457, Page 22,
Section 376.791, Line 12, by inserting after all of said section and line the following:

"Section 1. The task force directed to develop a strategy for implementation of a statewide care delivery model for MO HealthNet managed care shall consider the following concepts and proposals in its deliberations:

(1) The ramifications of implementing standardized utilization review protocols to be used by all prepaid capitated health plans for determining medical necessity for MO HealthNet services and for authorizing payment for such services with the active engagement of network health care providers in developing such protocols;

(2) The potential for federal Medicaid statewide waivers or state plan amendments, or both, to expand the flexibility of the MO HealthNet program and the capacity of the MO HealthNet program to reimburse providers through prepaid capitated health plans. The deliberations of the task force shall include the federal delivery system reform incentive payment initiative;

(3) The capacity of network adequacy standards and contracting requirements for MO HealthNet prepaid capitated health plans to promote comparable access to adult and pediatric primary care, specialty medical care, and behavioral health services as is provided to enrollees of private insurance plans;

(4) The implementation of subsection 1 of section 208.950 regarding payment incentives to promote the effectiveness of prepaid capitated health plans in curtailing nonemergency use of hospital emergency department services and in meeting performance metrics regarding quality of care and enrollee and provider satisfaction."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
