FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Labor and Industrial Relations**, the **Missouri Department of Conservation**, the **Office of Administration - Division of Personnel**, the **Department of Transportation**, the **Joint Committee on Administrative Rules**, the **City of Kansas City**, the **City of Independence**, the **City of Jefferson**, **Platte County** and **St. Louis County** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Attorney General's Office** assume any potential cost arising from this proposal can be absorbed with existing resources.

Officials from the **Department of Health and Senior Services**, the **Department of Social Services**, the **Department of Corrections**, the **Department of Public Safety - Missouri Highway Patrol** and the **Department of Mental Health** defer to the **Office of Administration** to estimate the fiscal impact of the proposed legislation to their organizations.

Officials at the **Office of the Secretary of State (SOS)** assume each year, a number of joint resolutions that would refer to a vote of the people a constitutional amendment and bills that would refer to a vote of the people the statutory issue in the legislation may be considered by the General Assembly.

Unless a special election is called for the purpose, Joint Resolutions proposing a constitutional amendment are submitted to a vote of the people at the next general election. Article XII section 2(b) of the Missouri Constitution authorizes the Governor to order a special election for constitutional amendments referred to the people. If a special election is called to submit a Joint Resolution to a vote of the people, sub-section 115.063.2, RSMo, requires the state to pay the costs. The cost of the special election has been estimated to be \$7.1 million based on the cost of the 2012 Presidential Preference Primary. This figure was determined through analyzing and totaling expense reports from the 2012 Presidential Preference Primary received from local election authorities.

The SOS is required to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and sections 116.230-116.290, RSMo. The Secretary of State's Office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session.

ASSUMPTION (continued)

Funding for this item is adjusted each year depending upon the election cycle with \$1.3 million historically appropriated in odd numbered fiscal years and \$100,000 appropriated in even numbered fiscal years to meet these requirements.

The appropriation has historically been an estimated appropriation because the final cost is dependent upon the number of ballot measures approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2013, at the August and November elections, there were 5 statewide Constitutional Amendments or ballot propositions that cost \$2.17 million to publish (an average of \$434,000 per issue).

Therefore, the Secretary of State's Office assumes, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements. However, because these requirements are mandatory, we reserve the right to request funding to meet the cost of our publishing requirements if the Governor and the General Assembly change the amount or eliminate the estimated nature of our appropriation.

Oversight assumes the proposal will have no fiscal impact to state or local governments. This legislation would be submitted to the qualified voters of this state for approval or rejection in August 2016, or any other successor primary election date in 2016. Therefore, not permitting an allowance for a special election called by the Governor.
