D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To amend chapter 208, RSMo, by adding thereto one new section relating to primary care providers.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 208, RSMo, is amended by adding thereto one new section, to be known as section 208.280, to read as follows:

208.280. The department of social services shall promulgate rules and regulations to allow primary care providers who provide services to MO HealthNet recipients after five o'clock p.m. and before seven o'clock a.m. to receive an additional reimbursement for services provided in order to increase access to primary care services for working adults and their families. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2015, shall be invalid and void.
