

# JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

---

THIRTY-FIFTH DAY, TUESDAY, MARCH 10, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*My Father worketh hitherto and I work. (John 5:17)*

O Gracious and good God, we come again to face a long day and the unending obligations to preserve and promote the freedom which is the fruit of the faith of our predecessors and which, we pray, will always be our faith and love.

As we share our lives in the creative endeavor to keep our State great as Spring approaches, may we labor diligently using all our hearts, all our minds and all our hands. To this end strengthen our hands, make serene our hearts, and put wise thoughts in our minds that our work may be well done and we may continue to be workers with You for good in Your world.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fourth day was approved as printed by the following vote:

"29.200. 1. Except as provided under subsection 2 of this section, all audits conducted under this chapter may be made at the discretion of the auditor without advance notice to the organization being audited. An audit also shall be conducted upon the request of the governor as provided under section 26.060, and the expenses for any such audit conducted upon the request of the governor shall be paid as provided in section 26.090.

2. The auditor, on his or her initiative and as often as he or she deems necessary, to the extent deemed practicable and consistent with the overall responsibility as contained in this chapter, shall make or cause to be made audits of all or any part of the activities of the state agencies.

3. The auditor shall make, or cause to be made, audits of all or any parts of political subdivisions and other entities as authorized in this chapter or any other law of this state.

4. In selecting audit areas and in evaluating current audit activity, the auditor may, at his or her discretion, consider and utilize, in whole or in part, the relevant audit coverage and applicable reports of the audit staffs of the various state agencies, independent contractors, and federal agencies.

5. The auditor shall be authorized to contract with federal audit agencies, or any governmental agency, on a cost-reimbursement basis, to perform audits of federal grant programs administered by the state departments and institutions in accordance with agreements negotiated between the auditor and the contracting federal audit agencies or any governmental agency. In instances where the grantee state agency shall subgrant such federal funds to local governments, regional councils of government, other local groups, or private or semiprivate institutions or agencies, the auditor shall have the authority to examine the books and records of these subgrantees to the extent necessary to determine eligibility and proper use in accordance with state and federal laws and regulations. The auditor shall charge and collect from the contracting federal audit agencies, or any governmental agencies, the actual cost of all the audits of the grants and programs that are conducted by the auditor under the contract. Amounts collected under these arrangements shall be deposited into the state treasury and be credited to the state auditor-federal fund and shall be available to hire sufficient personnel to perform these contracted audits and to pay for related travel, supplies, and other necessary expenses.

6. In the auditor's reports of audits and reports of special investigations, the auditor shall make any comments, suggestions, or recommendations deemed appropriate concerning any aspect of such agency's activities and operations.

7. The auditor shall audit the state treasury at least once annually.

8. The auditor may examine the banking accounts and records of the state treasurer, state agency, or any political subdivision at any bank or financial institution provided that the bank or financial institution shall not be required to produce the requested accounts or records until the auditor, treasurer, state agency, or political subdivision reimburses the reasonable document production costs of the bank or financial institution.

9. The auditor may, as often as the auditor deems necessary, conduct a detailed review of the bookkeeping and accounting systems in use in the various state agencies that are supported partially or entirely by state funds. Such examinations shall be for the purpose of evaluating the adequacy of systems in use by such agencies. In instances where the auditor determines that existing systems are outmoded, inefficient, or otherwise inadequate, the auditor shall recommend changes to the state agency and notify the general assembly of the recommended changes.

10. The auditor shall, through appropriate tests, determine the propriety of the data presented in the state comprehensive annual financial report, and shall express the auditor's opinion in accordance with generally accepted government auditing standards.

11. The auditor shall provide a report to the governor, attorney general, and other appropriate officials of facts in the auditor's possession which pertain to the apparent violation of penal statutes or apparent instances of malfeasance, misfeasance, or nonfeasance by an officer or employee.

12. At the conclusion of an audit, the auditor or the auditor's designated representative shall supply a copy of a draft report of the audit to, and discuss such draft with, the official, or that official's designated representative, whose office is subject to audit. On any audit of a state agency or political subdivision of the state, the auditee shall

provide responses to any recommendations contained in the draft report within thirty days from the receipt of the draft report.

13. The auditor shall notify the general assembly, the governor, the director of each agency audited, and other persons as the auditor deems appropriate that an audit report has been published, its subject and title, and the locations, including state libraries, at which the report is available. The auditor then shall distribute copies of the report only to those who request a report. The copies shall be available in written form or available on the official website of the auditor. The auditor may charge a reasonable fee for providing a written copy of an audit report. The auditor also shall file a copy of the audit report in the auditor's office; this copy shall be a permanent public record. Nothing in this subsection shall be construed to authorize or permit the publication of information that is otherwise prohibited by law from being disclosed.

14. Nothing in this chapter shall be construed to infringe upon or deprive the legislative, executive, or judicial branches of state government of any rights, powers, or duties vested in or imposed upon them by statute or the constitution of this state.

15. Nothing in this chapter shall be construed by the courts of this state in a manner inconsistent with Article II of the Constitution of Missouri.

16. The auditor shall be responsible for receiving reports of allegations of improper governmental activities as provided in section 29.221. The auditor shall adopt policies and procedures necessary to provide for the investigation or referral of such allegations.

17. In accordance with the state's records retention schedule, the auditor shall maintain a complete file of all audit reports and reports of other examinations, investigations, surveys, and reviews issued under the auditor's authority. Audit workpapers and other evidence and related supportive material directly pertaining to the work of the auditor's office shall be retained according to an agreement between the auditor and the state archives. To promote intergovernmental cooperation and avoid unnecessary duplication of audit effort, pertinent workpapers and other supportive material related to [issued] **any** audit [reports] may be, at the discretion of the auditor and unless otherwise prohibited by law, made available for inspection by duly authorized representatives of the state and federal government who desire access to, and inspection of, such records in connection with a matter officially before them, including criminal investigations.
