year has a value of at least one hundred dollars.

- 5. The director shall determine, at least annually, which organizations in this state may be classified as qualified organizations. The director may require of an organization seeking to be classified as a qualified organization whatever information that is reasonably necessary to make such a determination. The director shall classify an organization as a qualified organization if such organization meets the definition set forth in subsection 1 of this section.
- 6. The director shall establish a procedure by which a taxpayer can determine if an organization has been classified as a qualified organization. Qualified organizations shall be permitted to decline a contribution from a taxpayer. To claim the tax credit authorized in this section, a qualified organization may submit to the department an application for the tax credit authorized by this section on behalf of taxpayers. The department shall verify that the qualified organization has submitted the following items accurately and completely:
 - (1) A valid application in the form and format required by the department;
- (2) A statement attesting to the contribution received, which shall include the name and taxpayer identification number of the individual making the contribution, the amount of the contribution, and the date the contribution was received by the provider; and
- (3) Payment from the qualified organization equal to the value of the tax credit for which application is made.

If the provider applying for the tax credit meets all criteria required by this subsection, the department shall issue a certificate in the appropriate amount.

- 7. Each qualified organization shall provide information to the director concerning the identity of each taxpayer making a contribution to the qualified organization who is claiming a tax credit under this section and the amount of the contribution. The director shall provide the information to the director of revenue. The director shall be subject to the confidentiality and penalty provisions of section 32.057 relating to the disclosure of tax information.
- 8. The provisions of this section shall not be construed to limit or in any way impair the department's ability to issue tax credits authorized on or before the date the program authorized under this section expires or a taxpayer's ability to redeem such tax credits.
 - 9. Under section 23.253 of the Missouri sunset act:
- (1) The program established under this section shall automatically expire on December 31, 2022, unless reauthorized by an act of the general assembly;
- (2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and
- (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which a program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
