 45 school district may be exempt from the requirement to make up days of school lost or cancelled due
 46 to inclement weather in the school district when the school district has made up the six days
 47 required under subsection 2 of this section and half the number of additional lost or cancelled days
 48 up to eight days, resulting in no more than ten total make-up days required by this section.

1 4. The commissioner of education may provide, for any school district [in which schools are
