8 "167.950. 1. (1) By December 31, 2017, the department of elementary and secondary
9 education shall develop guidelines for the appropriate screening of students for dyslexia and related
10 disorders and the necessary classroom support for students with dyslexia and related disorders.
11 Such guidelines shall be consistent with the findings and recommendations of the task force created
12 under section 633.420.

13 (2) In the 2018-19 school year and subsequent years, each public school, including each
14 charter school, shall conduct dyslexia screenings for students in the appropriate year consistent with
15 the findings and recommendations of the task force created under section 633.420.

16 (3) In the 2018-19 school year and subsequent years, the school board of each district and
17 the governing board of each charter school shall provide reasonable classroom support consistent
18 with the findings and recommendations of the task force created under section 633.420.

19 2. In the 2018-19 school year and subsequent years, the practicing teacher assistance
20 programs established under section 168.400 shall include two hours of in-service training provided
21 by each local school district for all practicing teachers in such district regarding dyslexia and related
22 disorders. Each charter school shall also offer all of its teachers two hours of training on dyslexia
23 and related disorders. Districts and charter schools may seek assistance from the department of
24 elementary and secondary education in developing and providing such training. Completion of such
25 training shall count as two contact hours of professional development under section 168.021.

26 3. For purposes of this section, the following terms mean:

27 (1) "Dyslexia", a disorder that is neurological in origin, characterized by difficulties with
28 accurate and fluent word recognition and poor spelling and decoding abilities that typically result
29 from a deficit in the phonological component of language, often unexpected in relation to other
30 cognitive abilities and the provision of effective classroom instruction, and of which secondary
31 consequences may include problems in reading comprehension and reduced reading experience that
32 can impede growth of vocabulary and background knowledge. Nothing in this definition shall
33 require a student with dyslexia to obtain an individualized education program (IEP) unless the
34 student has otherwise met the federal conditions necessary;

35 (2) "Dyslexia screening", a short test conducted by a teacher or school counselor to
36 determine whether a student likely has dyslexia or a related disorder in which a positive result does

not represent a medical diagnosis but indicates that the student could benefit from approved support;

(3) "Related disorders", disorders similar to or related to dyslexia, such as developmental auditory imperception, dysphasia, specific developmental dyslexia, developmental dysgraphia, and developmental spelling disability;

(4) "Support", low-cost and effective best practices, such as oral examinations and extended test-taking periods, used to support students who have dyslexia or any related disorder.

4. The state board of education shall promulgate rules and regulations for each public school to screen students for dyslexia and related disorders. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void.

5. Nothing in this section shall require the MO HealthNet program to expand the services that it provides."; and

Further amend said bill, Page 2, Section 173.1200, Line 41, by inserting after all of said section and line the following:

"633.420. 1. For the purposes of this section, the term "dyslexia" means a disorder that is neurological in origin, characterized by difficulties with accurate and fluent word recognition, and poor spelling and decoding abilities that typically result from a deficit in the phonological component of language, often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction, and of which secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge. Nothing in this section shall prohibit a district from assessing students for dyslexia and offering students specialized reading instruction if a determination is made that a student suffers from dyslexia. Unless required by federal law, nothing in this definition shall require a student with dyslexia to be automatically determined eligible as a student with a disability.

2. There is hereby created the "Legislative Task Force on Dyslexia". The joint committee on education shall provide technical and administrative support as required by the task force to fulfill its duties; any such support involving monetary expenses shall first be approved by the chairman of the joint committee on education. The task force shall meet at least quarterly and may hold meetings by telephone or video conference. The task force shall advise and make recommendations to the governor, joint committee on education, and relevant state agencies regarding matters concerning individuals with dyslexia, including education and other adult and adolescent services.

3. The task force shall be comprised of twenty members consisting of the following:

(1) Two members of the senate appointed by the president pro tempore of the senate, with one member appointed from the minority party and one member appointed from the majority party;

22 (16) One private citizen who has been diagnosed with dyslexia;

23 (17) A representative of the Missouri State Council of the International Reading
24 Association; and

25 (18) A pediatrician with knowledge of dyslexia.

26 4. The members of the task force, other than the members from the general assembly and ex
27 officio members, shall be appointed by the president pro tempore of the senate or the speaker of the
28 house of representatives by September 1, 2016, by alternating appointments beginning with the
29 president pro tempore of the senate. A chairperson shall be selected by the members of the task
30 force. Any vacancy on the task force shall be filled in the same manner as the original appointment.
31 Members shall serve on the task force without compensation.

32 5. The task force shall make recommendations for a statewide system for identification,
33 intervention, and delivery of supports for students with dyslexia, including the development of
34 resource materials and professional development activities. These recommendations shall be
35 included in a report to the governor and joint committee on education and shall include findings and
36 proposed legislation and shall be made available no longer than twelve months from the task force's
37 first meeting.

38 6. The recommendations and resource materials developed by the task force shall:

39 (1) Identify valid and reliable screening and evaluation assessments and protocols that can
40 be used and the appropriate personnel to administer such assessments in order to identify children
41 with dyslexia or the characteristics of dyslexia as part of an ongoing reading progress monitoring
42 system, multi-tiered system of supports, and special education eligibility determinations in schools;

43 (2) Recommend an evidence-based reading instruction, with consideration of the National
44 Reading Panel Report and Orton-Gillingham methodology principles for use in all Missouri schools,
45 and intervention system, including a list of effective dyslexia intervention programs, to address
46 dyslexia or characteristics of dyslexia for use by schools in multi-tiered systems of support and for
47 services as appropriate for special education eligible students;

48 (3) Develop and implement preservice and inservice professional development activities to

1 address dyslexia identification and intervention, including utilization of accessible print materials
2 and assistive technology, within degree programs such as education, reading, special education,
3 speech-language pathology, and psychology;

4 (4) Review teacher certification and professional development requirements as they relate to
5 the needs of students with dyslexia;

6 (5) Examine the barriers to accurate information on the prevalence of students with dyslexia
7 across the state and recommend a process for accurate reporting of demographic data; and

8 (6) Study and evaluate current practices for diagnosing, treating, and educating children in
9 this state and examine how current laws and regulations affect students with dyslexia in order to
10 present recommendations to the governor and joint committee on education.

11 7. The task force shall hire or contract for hire specialist services to support the work of the
12 task force as necessary with appropriations made by the general assembly for that purpose or from
13 other available funding.

14 8. The task force authorized under this section shall expire on August 31, 2018."; and
15

16 Further amend said bill by amending the title, enacting clause, and intersectional references
17 accordingly.
