

House _____ Amendment NO. _____

Offered By

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 621, Page 1, Section 9.154,
2 Line 11, by inserting after all of said section and line the following:

3
4 "96.192.1. The board of trustees of any hospital authorized under subsection 2 of this section, and
5 established and organized under the provisions of sections 96.150 to 96.229, may invest up to twenty-five
6 percent of the hospital's funds not required for immediate disbursement in obligations or for the operation of
7 the hospital in any United States investment grade fixed income funds or any diversified stock funds, or
8 both.

9 2. The provisions of this section shall only apply if the hospital:
10 (1) Receives less than one percent of its annual revenues from municipal, county, or state taxes; and
11 (2) Receives less than one percent of its annual revenue from appropriated funds from the
12 municipality in which such hospital is located."; and
13

14 Further amend said bill, Page 5, Section 191.1146, Line 20, by inserting after all of said line the following:

15
16 "197.315. 1. Any person who proposes to develop or offer a new institutional health service within
17 the state must obtain a certificate of need from the committee prior to the time such services are offered.

18 2. Only those new institutional health services which are found by the committee to be needed shall
19 be granted a certificate of need. Only those new institutional health services which are granted certificates of
20 need shall be offered or developed within the state. No expenditures for new institutional health services in
21 excess of the applicable expenditure minimum shall be made by any person unless a certificate of need has
22 been granted.

23 3. After October 1, 1980, no state agency charged by statute to license or certify health care facilities
24 shall issue a license to or certify any such facility, or distinct part of such facility, that is developed without
25 obtaining a certificate of need.

26 4. If any person proposes to develop any new institutional health care service without a certificate of
27 need as required by sections 197.300 to 197.366, the committee shall notify the attorney general, and he shall
28 apply for an injunction or other appropriate legal action in any court of this state against that person.

29 5. After October 1, 1980, no agency of state government may appropriate or grant funds to or make
30 payment of any funds to any person or health care facility which has not first obtained every certificate of
31 need required pursuant to sections 197.300 to 197.366.

32 6. A certificate of need shall be issued only for the premises and persons named in the application
33 and is not transferable except by consent of the committee.

34 7. Project cost increases, due to changes in the project application as approved or due to project
35 change orders, exceeding the initial estimate by more than ten percent shall not be incurred without consent
36 of the committee.

37 8. Periodic reports to the committee shall be required of any applicant who has been granted a
38 certificate of need until the project has been completed. The committee may order the forfeiture of the
39 certificate of need upon failure of the applicant to file any such report.

Standing Action Taken _____ Date _____

Select Action Taken _____ Date _____

1 9. A certificate of need shall be subject to forfeiture for failure to incur a capital expenditure on any
 2 approved project within six months after the date of the order. The applicant may request an extension from
 3 the committee of not more than six additional months based upon substantial expenditure made.

4 10. Each application for a certificate of need must be accompanied by an application fee. The time
 5 of filing commences with the receipt of the application and the application fee. The application fee is one
 6 thousand dollars, or one-tenth of one percent of the total cost of the proposed project, whichever is greater.
 7 All application fees shall be deposited in the state treasury. Because of the loss of federal funds, the general
 8 assembly will appropriate funds to the Missouri health facilities review committee.

9 11. In determining whether a certificate of need should be granted, no consideration shall be given to
 10 the facilities or equipment of any other health care facility located more than a fifteen-mile radius from the
 11 applying facility.

12 12. When a nursing facility shifts from a skilled to an intermediate level of nursing care, it may
 13 return to the higher level of care if it meets the licensure requirements, without obtaining a certificate of
 14 need.

15 13. In no event shall a certificate of need be denied because the applicant refuses to provide abortion
 16 services or information.

17 14. A certificate of need shall not be required for the transfer of ownership of an existing and
 18 operational health facility in its entirety.

19 15. A certificate of need may be granted to a facility for an expansion, an addition of services, a new
 20 institutional service, or for a new hospital facility which provides for something less than that which was
 21 sought in the application.

22 16. The provisions of this section shall not apply to facilities operated by the state, and
 23 appropriation of funds to such facilities by the general assembly shall be deemed in compliance with this
 24 section, and such facilities shall be deemed to have received an appropriate certificate of need without
 25 payment of any fee or charge. The provisions of this subsection shall not apply to hospitals operated by the
 26 state and licensed under chapter 197, except for department of mental health state-operated psychiatric
 27 hospitals.

28 17. Notwithstanding other provisions of this section, a certificate of need may be issued after July 1,
 29 1983, for an intermediate care facility operated exclusively for the intellectually disabled.

30 18. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout
 31 the state, a certificate of need shall not be required for the purchase and operation of:

32 (1) Research equipment that is to be used in a clinical trial that has received written approval from a
 33 duly constituted institutional review board of an accredited school of medicine or osteopathy located in
 34 Missouri to establish its safety and efficacy and does not increase the bed complement of the institution in
 35 which the equipment is to be located. After the clinical trial has been completed, a certificate of need must
 36 be obtained for continued use in such facility; or

37 (2) Equipment that is to be used by an academic health center operated by the state in furtherance of
 38 its research or teaching missions."; and

39
 40 Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
