22 governmental performance, the seriousness of the intrusion into the family's right to privacy, and

24 information in other public records. In any such action, the court shall review the photographs or
25 video recordings in question in camera with the custodian of the crime scene materials present and
26 may condition any disclosure on such condition as the court may deem necessary to accommodate
27 the interests of the parties.

28 3. Prior to releasing any crime scene material described in subsection 1 of this section, the
29 custodian of such material shall give the deceased person's next of kin at least two weeks' notice.

31 shorten the duration of such notice requirement.
