18 6. (1) The director of revenue shall issue annually or biennially a tab or set of tabs as
19 provided by law as evidence of the annual payment of registration fees and the current registration
20 of a vehicle in lieu of the set of plates. Beginning January 1, 2010, the director may prescribe any
21 additional information recorded on the tab or tabs to ensure that the tab or tabs positively correlate
22 with the license plate or plates issued by the department of revenue for such vehicle. Such tabs shall
23 be produced in each license bureau office.

24 (2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab
25 or tabs in the designated area of the license plate, no more than one per plate.

26 (3) A tab or set of tabs issued by the director of revenue when attached to a vehicle in the
27 prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been
28 paid.

29 (4) Except as otherwise provided in this section, the director of revenue shall issue plates for
30 a period of at least six years.

31 (5) For those commercial motor vehicles and trailers registered pursuant to section 301.041,
32 the plate issued by the highways and transportation commission shall be a permanent nonexpiring
33 license plate for which no tabs shall be issued. Nothing in this section shall relieve the owner of any
34 vehicle permanently registered pursuant to this section from the obligation to pay the annual
35 registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to
36 the highways and transportation commission upon the sale or disposal of the vehicle by the owner to
37 whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a
38 replacement commercial motor vehicle when the owner files a supplemental application with the
39 Missouri highways and transportation commission for the registration of such replacement
40 commercial motor vehicle. Upon payment of the annual registration fee, the highways and
41 transportation commission shall issue a certificate of registration or other suitable evidence of
42 payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle
43 for which it is issued.

44 (6) Upon the sale or disposal of any vehicle permanently registered under this section, or
45 upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such
46 vehicle shall be returned to the highways and transportation commission and shall not be valid for
47 operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner
48 files a supplemental application with the Missouri highways and transportation commission for the

1 registration of such replacement vehicle. If a vehicle which is permanently registered under this
2 section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be
3 given credit for any unused portion of the annual registration fee when the vehicle is replaced by the
4 purchase or lease of another vehicle during the registration year.

5 7. The director of revenue and the highways and transportation commission may prescribe
6 rules and regulations for the effective administration of this section. No rule or portion of a rule
7 promulgated under the authority of this section shall become effective unless it has been
8 promulgated pursuant to the provisions of section 536.024.

9 8. Notwithstanding the provisions of any other law to the contrary, owners of motor
10 vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of
11 [eighteen] twenty-four thousand pounds gross weight may apply for special personalized license
12 plates. Vehicles licensed for [eighteen] twenty-four thousand pounds that display special
13 personalized license plates shall be subject to the provisions of subsections 1 and 2 of section
14 301.030. On and after August 28, 2016, owners of motor vehicles, other than apportioned motor
15 vehicles or commercial motor vehicles licensed in excess of twenty-four thousand pounds gross
16 weight, may apply for any preexisting or hereafter statutorily created special personalized license
17 plates.

18 9. No later than January 1, [2009] 2019, the director of revenue shall commence the
19 reissuance of new license plates of such design as [directed by the director] approved by the
20 advisory committee under section 301.125 consistent with the terms, conditions, and provisions of
21 [this] section 301.125 and this chapter. Except as otherwise provided in this section, in addition to
22 all other fees required by law, applicants for registration of vehicles with license plates that expire
23 during the period of reissuance, applicants for registration of trailers or semitrailers with license
24 plates that expire during the period of reissuance and applicants for registration of vehicles that are
25 to be issued new license plates during the period of reissuance shall pay the cost of the plates
26 required by this subsection. The additional cost prescribed in this subsection shall not be charged to
27 persons receiving special license plates issued under section 301.073 or 301.443. Historic motor
28 vehicle license plates registered pursuant to section 301.131 and specialized license plates are
29 exempt from the provisions of this subsection. Except for new, replacement, and transfer
30 applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers
31 registered under section 301.041 are exempt from the provisions of this subsection."; and
