

House _____ Amendment NO. _____

Offered By

1 AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 765,
2 Page 9, Section 610.100, Line 140, by inserting after all of said section and line the following:

3
4 "Section 1. 1. For purposes of this section, the following terms mean:

5 (1) "Communications service", a service that transports information electronically including,
6 but not limited to, internet protocol enabled services that are provided by a wireless service
7 provider, broadband or other internet protocol enabled service provider, video service provider,
8 telecommunications company, or other communications-related service provider;

9 (2) "Competitive service", a wholesale or retail offering of a specific communication service
10 that is provided by one or more service providers within the boundaries of the city, town, or village.
11 "Competitive communication service" shall not mean:

12 (a) Any service that a city, town, or village is prohibited from offering by law;

13 (b) Any service that a city, town or village is providing on the effective date of this
14 section;

15 (c) The provision of free wireless communication service to the public; or

16 (d) Any service that a city, town, or village uses exclusively for its own internal purposes.

17 2. If a city, town, or village offers a competitive service where a private business also offers
18 such service, no financial resources or subsidization to support the service shall be allowed from any
19 revenues collected by the city, town, or village, unless such usage of funds for the competitive
20 service is specifically approved by the voters."; and

21
22 Further amend said bill by amending the title, enacting clause, and intersectional references
23 accordingly.
