4 trucks, derelict construction equipment, derelict appliances, broken furniture, or overgrown or  
5 noxious weeds in residential subdivisions or districts which may endanger public safety or which is  
6 unhealthy or unsafe and declared to be a public nuisance.

15 provide that such notice be served either by personal service or by certified mail, return receipt  
16 requested, but if service cannot be had by either of these modes of service, then service may be had  
17 by publication. The ordinances shall further provide that the owner, occupant, lessee, mortgagee,  
18 agent, and all other persons having an interest in the property as shown by the land records of the  
19 recorder of deeds of the county wherein the property is located shall be made parties;

20          (4) Provide that upon failure to commence work of abating the nuisance within the time

25 an opportunity to be heard. After the hearings, if evidence supports a finding that the property is a  
26 nuisance or detrimental to the health, safety, or welfare of the residents of the county, the county  
27 commission shall issue an order making specific findings of fact, based upon competent and  
28 substantial evidence, which shows the property to be a nuisance and detrimental to the health,
