(18) "State", any state, commonwealth, district, or territory of the United States;

3. A home state's license authorizes an individual to practice in a remote state under the privilege to practice only if the home state:

(1) Currently requires the use of the National Registry of Emergency Medical Technicians (NREMT) examination as a condition of issuing initial licenses at the EMT and paramedic levels;

(2) Has a mechanism in place for receiving and investigating complaints about individuals;

334.1506. 1. Member states shall recognize the privilege to practice of an individual licensed in another member state that is in conformance with section 334.1503.

2. To exercise the privilege to practice under the terms and provisions of this compact, an individual shall:

(1) Be at least eighteen years of age;

(3) Practice under the supervision of a medical director.

3. An individual providing patient care in a remote state under the privilege to practice shall function within the scope of practice authorized by the home state unless and until modified by an appropriate authority in the remote state, as may be defined in the rules of the commission.

1 4. Except as provided in subsection 3 of this section, an individual practicing in a remote
2 state shall be subject to the remote state's authority and laws. A remote state may, in accordance
3 with due process and that state's laws, restrict, suspend, or revoke an individual's privilege to
4 practice in the remote state and may take any other necessary actions to protect the health and safety
5 of its citizens. If a remote state takes action, it shall promptly notify the home state and the
6 commission.

7 5. If an individual's license in any home state is restricted, suspended, or revoked, the
8 individual shall not be eligible to practice in a remote state under the privilege to practice until the
9 individual's home state license is restored.

10 6. If an individual's privilege to practice in any remote state is restricted, suspended, or
11 revoked, the individual shall not be eligible to practice in any remote state until the individual's
12 privilege to practice is restored.

13 334.1509. An individual may practice in a remote state under a privilege to practice only in
14 the performance of the individual's EMS duties as assigned by an appropriate authority, as defined
15 in the rules of the commission, and under the following circumstances:

16 (1) The individual originates a patient transport in a home state and transports the patient to
17 a remote state;

18 (2) The individual originates in the home state and enters a remote state to pick up a patient
19 and provides care and transport of the patient to the home state;

20 (3) The individual enters a remote state to provide patient care or transport within that
21 remote state;

22 (4) The individual enters a remote state to pick up a patient and provides care and transport
23 to a third member state; or

24 (5) Other conditions as determined by rules promulgated by the commission.

25 334.1512. Upon a member state's governor's declaration of a state of emergency or disaster
26 that activates the Emergency Management Assistance Compact (EMAC), all relevant terms and
27 provisions of EMAC shall apply, and to the extent any terms or provisions of this compact conflict
28 with EMAC, the terms of EMAC shall prevail with respect to any individual practicing in the
29 remote state in response to such declaration.

30 334.1515. 1. Member states shall consider a veteran, active military service member, or
31 member of the National Guard and Reserves separating from an active duty tour, or a spouse
32 thereof, who holds a current, valid, and unrestricted NREMT certification at or above the level of
33 the state license being sought as satisfying the minimum training and examination requirements for
34 such licensure.

35 2. Member states shall expedite the process of licensure applications submitted by veterans,
36 active military service members, or members of the National Guard and Reserves separating from
37 an active duty tour or their spouses.

38 3. All individuals functioning with a privilege to practice under this section remain subject
39 to the adverse actions provisions of section 334.1518.

40 334.1518. 1. A home state shall have exclusive power to impose adverse action against an
41 individual's license issued by the home state.

42 2. If an individual's license in any home state is restricted, suspended, or revoked, the
43 individual shall not be eligible to practice in a remote state under the privilege to practice until the
44 individual's home state license is restored.

45 (1) All home state adverse action orders shall include a statement that the individual's
46 compact privileges are inactive. The order may allow the individual to practice in remote states
47 with prior written authorization from both the home state and the remote state's EMS authority.

48 (2) An individual currently subject to adverse action in the home state shall not practice in

1 any remote state without prior written authorization from both the home state and remote state's
2 EMS authority.

3 3. A member state shall report adverse actions and any occurrences that the individual's
4 compact privileges are restricted, suspended, or revoked to the commission in accordance with the
5 rules of the commission.

6 4. A remote state may take adverse action on an individual's privilege to practice within that
7 state.

8 5. Any member state may take adverse action against an individual's privilege to practice in
9 that state based on the factual findings of another member state, so long as each state follows its
10 own procedures for imposing such adverse action.

11 6. A home state's EMS authority shall investigate and take appropriate action with respect to
12 reported conduct in a remote state as it would if such conduct had occurred within the home state.
13 In such cases, the home state's law shall control in determining the appropriate adverse action.

14 7. Nothing in this compact shall override a member state's decision that participation in an
15 alternative program may be used in lieu of adverse action and that such participation shall remain
16 nonpublic if required by the member state's laws. Member states shall require individuals who enter
17 any alternative programs to agree not to practice in any other member state during the term of the
18 alternative program without prior authorization from such other member state.

19 334.1521. A member state's EMS authority, in addition to any other powers granted under
20 state law, is authorized under this compact to:

21 (1) Issue subpoenas for both hearings and investigations that require the attendance and
22 testimony of witnesses and the production of evidence. Subpoenas issued by a member state's EMS
23 authority for the attendance and testimony of witnesses or the production of evidence from another
24 member state shall be enforced in the remote state by any court of competent jurisdiction according
25 to that court's practice and procedure in considering subpoenas issued in its own proceedings. The
26 issuing state EMS authority shall pay any witness fees, travel expenses, mileage, and other fees
27 required by the service statutes of the state where the witnesses or evidence is located; and

28 (2) Issue cease and desist orders to restrict, suspend, or revoke an individual's privilege to
29 practice in the state.

30 334.1524. 1. The compact states hereby create and establish a joint public agency known as
31 the interstate commission for EMS personnel practice.

32 (1) The commission is a body politic and an instrumentality of the compact states.

33 (2) Venue is proper and judicial proceedings by or against the commission shall be brought
34 solely and exclusively in a court of competent jurisdiction where the principal office of the
35 commission is located. The commission may waive venue and jurisdictional defenses to the extent
36 it adopts or consents to participate in alternative dispute resolution proceedings.

37 (3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

38 2. Each member state shall have and be limited to one delegate. The responsible official of
39 the state EMS authority or his or her designee shall be the delegate to this compact for each member
40 state. Any delegate may be removed or suspended from office as provided by the law of the state
41 from which the delegate is appointed. Any vacancy occurring in the commission shall be filled in
42 accordance with the laws of the member state in which the vacancy exists. In the event that more
43 than one board, office, or other agency with the legislative mandate to license EMS personnel at and
44 above the level of EMT exists, the governor of the state will determine which entity will be
45 responsible for assigning the delegate.

46 (1) Each delegate shall be entitled to one vote with regard to the promulgation of rules and
47 creation of bylaws, and shall otherwise have an opportunity to participate in the business and affairs
48 of the commission. A delegate shall vote in person or by such other means as provided in the

1 bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other
 2 means of communication.

3 (2) The commission shall meet at least once during each calendar year. Additional meetings
 4 shall be held as set forth in the bylaws.

5 (3) All meetings shall be open to the public, and public notice of meetings shall be given in
 6 the same manner as required under the rulemaking provisions in section 334.1530.

7 (4) The commission may convene in a closed, nonpublic meeting if the commission must
 8 discuss:

9 (a) Noncompliance of a member state with its obligations under the compact;

10 (b) The employment, compensation, discipline or other personnel matters, practices, or
 11 procedures related to specific employees, or other matters related to the commission's internal
 12 personnel practices and procedures;

13 (c) Current, threatened, or reasonably anticipated litigation;

14 (d) Negotiation of contracts for the purchase or sale of goods, services, or real estate;

15 (e) Accusing any person of a crime or formally censuring any person;

16 (f) Disclosure of trade secrets or commercial or financial information that is privileged or
 17 confidential;

18 (g) Disclosure of information of a personal nature if disclosure would constitute a clearly
 19 unwarranted invasion of personal privacy;

20 (h) Disclosure of investigatory records compiled for law enforcement purposes;

21 (i) Disclosure of information related to any investigatory reports prepared by or on behalf of
 22 or for use of the commission or other committee charged with responsibility of investigation or
 23 determination of compliance issues pursuant to the compact; or

24 (j) Matters specifically exempted from disclosure by federal or member state statute.

25 (5) If a meeting or portion of a meeting is closed under this section, the commission's legal
 26 counsel or designee shall certify that the meeting may be closed and shall reference each relevant
 27 exempting provision. The commission shall keep minutes that fully and clearly describe all matters
 28 discussed in a meeting and shall provide a full and accurate summary of actions taken and the
 29 reasons therefor, including a description of the views expressed. All documents considered in
 30 connection with an action shall be identified in such minutes. All minutes and documents of a
 31 closed meeting shall remain under seal, subject to release by a majority vote of the commission or
 32 order of a court of competent jurisdiction.

33 3. The commission shall, by a majority vote of the delegates, prescribe bylaws and rules to
 34 govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the
 35 powers of the compact including, but not limited to:

36 (1) Establishing the fiscal year of the commission;

37 (2) Providing reasonable standards and procedures:

38 (a) For the establishment and meetings of other committees; and

39 (b) Governing any general or specific delegation of any authority or function of the
 40 commission;

41 (3) Providing reasonable procedures for calling and conducting meetings of the
 42 commission, ensuring reasonable advance notice of all meetings, and providing an opportunity for
 43 attendance of such meetings by interested parties, with enumerated exceptions designed to protect
 44 the public's interest, the privacy of individuals, and proprietary information, including trade secrets.
 45 The commission may meet in closed session only after a majority of the membership votes to close
 46 a meeting in whole or in part. As soon as practicable, the commission shall make public a copy of
 47 the vote to close the meeting revealing the vote of each member with no proxy votes allowed;

48 (4) Establishing the titles, duties and authority, and reasonable procedures for the election of

1 the officers of the commission;

2 (5) Providing reasonable standards and procedures for the establishment of the personnel
3 policies and programs of the commission. Notwithstanding any civil service or other similar laws
4 of any member state, the bylaws shall exclusively govern the personnel policies and programs of the
5 commission;

6 (6) Promulgating a code of ethics to address permissible and prohibited activities of
7 commission members and employees;

8 (7) Providing a mechanism for winding up the operations of the commission and the
9 equitable disposition of any surplus funds that may exist after the termination of the compact after
10 the payment or reserving of all of its debts and obligations;

11 (8) The commission shall publish its bylaws and file a copy thereof, and a copy of any
12 amendment thereto, with the appropriate agency or officer in each of the member states, if any;

13 (9) The commission shall maintain its financial records in accordance with the bylaws; and

14 (10) The commission shall meet and take such actions as are consistent with the provisions
15 of this compact and the bylaws.

16 4. The commission shall have the following powers:

17 (1) The authority to promulgate uniform rules to facilitate and coordinate implementation
18 and administration of this compact. The rules shall have the force and effect of law and shall be
19 binding on all member states;

20 (2) To bring and prosecute legal proceedings or actions in the name of the commission,
21 provided that the standing of any state EMS authority or other regulatory body responsible for EMS
22 personnel licensure to sue or be sued under applicable law shall not be affected;

23 (3) To purchase and maintain insurance and bonds;

24 (4) To borrow, accept, or contract for services of personnel, including, but not limited to,
25 employees of a member state;

26 (5) To hire employees, elect or appoint officers, fix compensation, define duties, grant such
27 individuals appropriate authority to carry out the purposes of the compact, and to establish the
28 commission's personnel policies and programs relating to conflicts of interest, qualifications of
29 personnel, and other related personnel matters;

30 (6) To accept any and all appropriate donations and grants of money, equipment, supplies,
31 materials, and services, and to receive, utilize, and dispose of the same; provided that at all times the
32 commission shall strive to avoid any appearance of impropriety and conflict of interest;

33 (7) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold,
34 improve, or use, any property, real, personal, or mixed; provided that at all times the commission
35 shall strive to avoid any appearance of impropriety;

36 (8) To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of
37 any property, real, personal, or mixed;

38 (9) To establish a budget and make expenditures;

39 (10) To borrow money;

40 (11) To appoint committees, including advisory committees comprised of members, state
41 regulators, state legislators or their representatives, and consumer representatives, and such other
42 interested persons as may be designated in this compact and the bylaws;

43 (12) To provide and receive information from, and to cooperate with, law enforcement
44 agencies;

45 (13) To adopt and use an official seal; and

46 (14) To perform such other functions as may be necessary or appropriate to achieve the
47 purposes of this compact consistent with the state regulation of EMS personnel licensure and
48 practice.

1 5. (1) The commission shall pay, or provide for the payment of, the reasonable expenses of
2 its establishment, organization, and ongoing activities.

3 (2) The commission may accept any and all appropriate revenue sources, donations, and
4 grants of money, equipment, supplies, materials, and services.

5 (3) The commission may levy on and collect an annual assessment from each member state
6 or impose fees on other parties to cover the cost of the operations and activities of the commission
7 and its staff, which shall be in a total amount sufficient to cover its annual budget as approved each
8 year for which revenue is not provided by other sources. The aggregate annual assessment amount
9 shall be allocated based upon a formula to be determined by the commission, which shall
10 promulgate a rule binding upon all member states.

11 (4) The commission shall not incur obligations of any kind prior to securing the funds
12 adequate to meet the same; nor shall the commission pledge the credit of any of the member states,
13 except by and with the authority of the member state.

14 (5) The commission shall keep accurate accounts of all receipts and disbursements. The
15 receipts and disbursements of the commission shall be subject to the audit and accounting
16 procedures established under its bylaws. However, all receipts and disbursements of funds handled
17 by the commission shall be audited yearly by a certified or licensed public accountant, and the
18 report of the audit shall be included in and become part of the annual report of the commission.

19 6. (1) The members, officers, executive director, employees, and representatives of the
20 commission shall be immune from suit and liability, either personally or in their official capacity for
21 any claim, damage to or loss of property, personal injury, or other civil liability caused by or arising
22 out of any actual or alleged act, error, or omission that occurred or that the person against whom the
23 claim is made had a reasonable basis for believing occurred within the scope of commission
24 employment, duties, or responsibilities; provided that nothing in this subdivision shall be construed
25 to protect any such person from suit or liability for any damage, loss, injury, or liability caused by
26 the intentional, willful, or wanton misconduct of that person.

27 (2) The commission shall defend any member, officer, executive director, employee, or
28 representative of the commission in any civil action seeking to impose liability arising out of any
29 actual or alleged act, error, or omission that occurred within the scope of commission employment,
30 duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis
31 for believing occurred within the scope of commission employment, duties, or responsibilities;
32 provided that nothing herein shall be construed to prohibit that person from retaining his or her own
33 counsel; and provided further, that the actual or alleged act, error, or omission did not result from
34 that person's intentional, willful, or wanton misconduct.

35 (3) The commission shall indemnify and hold harmless any member, officer, executive
36 director, employee, or representative of the commission for the amount of any settlement or
37 judgment obtained against that person arising out of any actual or alleged act, error, or omission that
38 occurred within the scope of commission employment, duties, or responsibilities, or that such
39 person had a reasonable basis for believing occurred within the scope of commission employment,
40 duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result
41 from the intentional, willful, or wanton misconduct of the person.

42 334.1527. 1. The commission shall provide for the development and maintenance of a
43 coordinated database and reporting system containing licensure, adverse action, and significant
44 investigatory information on all licensed individuals in member states.

45 2. Notwithstanding any other provision of state law to the contrary, a member state shall
46 submit a uniform data set to the coordinated database on all individuals to whom this compact is
47 applicable as required by the rules of the commission, including:

48 (1) Identifying information;

- 1 (2) Licensure data;
- 2 (3) Significant investigatory information;
- 3 (4) Adverse actions against an individual's license;
- 4 (5) An indicator that an individual's privilege to practice is restricted, suspended, or
5 revoked;
- 6 (6) Nonconfidential information related to alternative program participation;
- 7 (7) Any denial of application for licensure and the reasons for such denial; and
- 8 (8) Other information that may facilitate the administration of this compact, as determined
9 by the rules of the commission.
- 10 3. The coordinated database administrator shall promptly notify all member states of any
11 adverse action taken against, or significant investigative information on, any individual in a member
12 state.
- 13 4. Member states contributing information to the coordinated database may designate
14 information that shall not be shared with the public without the express permission of the
15 contributing state.
- 16 5. Any information submitted to the coordinated database that is subsequently required to be
17 expunged by the laws of the member state contributing the information shall be removed from the
18 coordinated database.
- 19 334.1530. 1. The commission shall exercise its rulemaking powers pursuant to the criteria
20 set forth in this section and the rules adopted thereunder. Rules and amendments shall become
21 binding as of the date specified in each rule or amendment.
- 22 2. If a majority of the legislatures of the member states rejects a rule, by enactment of a
23 statute or resolution in the same manner used to adopt the compact, then such rule shall have no
24 further force and effect in any member state.
- 25 3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the
26 commission.
- 27 4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least
28 sixty days in advance of the meeting at which the rule will be considered and voted upon, the
29 commission shall file a notice of proposed rulemaking:
- 30 (1) On the website of the commission; and
- 31 (2) On the website of each member state EMS authority or the publication in which each
32 state would otherwise publish proposed rules.
- 33 5. The notice of proposed rulemaking shall include:
- 34 (1) The proposed time, date, and location of the meeting at which the rule will be
35 considered and voted upon;
- 36 (2) The text of the proposed rule or amendment and the reason for the proposed rule;
- 37 (3) A request for comments on the proposed rule from any interested person; and
- 38 (4) The manner in which interested parties may submit notice to the commission of their
39 intention to attend the public hearing and any written comments.
- 40 6. Prior to adoption of a proposed rule, the commission shall allow persons to submit
41 written data, facts, opinions, and arguments which shall be made available to the public.
- 42 7. The commission shall grant an opportunity for a public hearing before it adopts a rule or
43 amendment if a hearing is requested by:
- 44 (1) At least twenty-five persons;
- 45 (2) A governmental subdivision or agency; or
- 46 (3) An association having at least twenty-five members.
- 47 8. If a hearing is held on the proposed rule or amendment, the commission shall publish the
48 place, time, and date of the scheduled public hearing.

1 (1) All persons wishing to be heard at the hearing shall notify the executive director of the
2 commission or other designated member in writing of their desire to appear and testify at the
3 hearing not less than five business days before the scheduled date of the hearing.

4 (2) Hearings shall be conducted in a manner providing each person who wishes to comment
5 a fair and reasonable opportunity to comment orally or in writing.

6 (3) No transcript of the hearing is required, unless a written request for a transcript is made,
7 in which case the person requesting the transcript shall bear the cost of producing the transcript. A
8 recording may be made in lieu of a transcript under the same terms and conditions as a transcript.
9 This subdivision shall not preclude the commission from making a transcript or recording of the
10 hearing if it so chooses.

11 (4) Nothing in this section shall be construed as requiring a separate hearing on each rule.
12 Rules may be grouped for the convenience of the commission at hearings required by this section.

13 9. Following the scheduled hearing date, or by the close of business on the scheduled
14 hearing date if the hearing was not held, the commission shall consider all written and oral
15 comments received.

16 10. The commission shall, by majority vote of all members, take final action on the
17 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
18 record and the full text of the rule.

19 11. If no written notice of intent to attend the public hearing by interested parties is
20 received, the commission may proceed with promulgation of the proposed rule without a public
21 hearing.

22 12. Upon determination that an emergency exists, the commission may consider and adopt
23 an emergency rule without prior notice, opportunity for comment, or hearing, provided that the
24 usual rulemaking procedures provided in the compact and in this section shall be retroactively
25 applied to the rule as soon as reasonably possible, in no event later than ninety days after the
26 effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be
27 adopted immediately in order to:

28 (1) Meet an imminent threat to public health, safety, or welfare;

29 (2) Prevent a loss of commission or member state funds;

30 (3) Meet a deadline for the promulgation of an administrative rule that is established by
31 federal law or rule; or

32 (4) Protect public health and safety.

33 13. The commission or an authorized committee of the commission may direct revisions to
34 a previously adopted rule or amendment for purposes of correcting typographical errors, errors in
35 format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted
36 on the website of the commission. The revision shall be subject to challenge by any person for a
37 period of thirty days after posting. The revision may be challenged only on grounds that the
38 revision results in a material change to a rule. A challenge shall be made in writing and delivered to
39 the chair of the commission prior to the end of the notice period. If no challenge is made, the
40 revision will take effect without further action. If the revision is challenged, the revision may not
41 take effect without the approval of the commission.

42 334.1533. 1. The executive, legislative, and judicial branches of state government in each
43 member state shall enforce this compact and take all actions necessary and appropriate to effectuate
44 the compact's purposes and intent. The provisions of this compact and the rules promulgated
45 hereunder shall have standing as statutory law.

46 2. All courts shall take judicial notice of the compact and the rules in any judicial or
47 administrative proceedings in a member state pertaining to the subject matter of this compact which
48 may affect the powers, responsibilities, or actions of the commission.

1 3. The commission shall be entitled to receive service of process in any such proceeding,
2 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
3 service of process to the commission shall render a judgment or order void as to the commission,
4 this compact, or promulgated rules.

5 4. If the commission determines that a member state has defaulted in the performance of its
6 obligations or responsibilities under this compact or the promulgated rules, the commission shall:

7 (1) Provide written notice to the defaulting state and other member states of the nature of
8 the default, the proposed means of curing the default or any other action to be taken by the
9 commission; and

10 (2) Providing remedial training and specific technical assistance regarding the default.

11 5. If a state in default fails to cure the default, the defaulting state may be terminated from
12 the compact upon an affirmative vote of a majority of the member states, and all rights, privileges,
13 and benefits conferred by this compact may be terminated on the effective date of termination. A
14 cure of the default does not relieve the offending state of obligations or liabilities incurred during
15 the period of default.

16 6. Termination of membership in the compact shall be imposed only after all other means of
17 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given
18 by the commission to the governor, the majority and minority leaders of the defaulting state's
19 legislature, and each of the member states.

20 7. A state that has been terminated is responsible for all assessments, obligations, and
21 liabilities incurred through the effective date of termination, including obligations that extend
22 beyond the effective date of termination.

23 8. The commission shall not bear any costs related to a state that is found to be in default or
24 that has been terminated from the compact unless agreed upon in writing between the commission
25 and the defaulting state.

26 9. The defaulting state may appeal the action of the commission by petitioning the United
27 States District Court for the District of Columbia or the federal district where the commission has its
28 principal offices. The prevailing member shall be awarded all costs of such litigation, including
29 reasonable attorney's fees.

30 10. Upon a request by a member state, the commission shall attempt to resolve disputes
31 related to the compact that arise among member states and between member and nonmember states.

32 11. The commission shall promulgate a rule providing for both mediation and binding
33 dispute resolution for disputes as appropriate.

34 12. The commission, in the reasonable exercise of its discretion, shall enforce the provisions
35 and rules of this compact.

36 13. By majority vote, the commission may initiate legal action in the United States District
37 Court for the District of Columbia or the federal district where the commission has its principal
38 offices against a member state in default to enforce compliance with the provisions of the compact
39 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and
40 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all
41 costs of such litigation, including reasonable attorney's fees.

42 14. The remedies herein shall not be the exclusive remedies of the commission. The
43 commission may pursue any other remedies available under federal or state law.

44 334.1536. 1. The compact shall come into effect on the date on which the compact statute
45 is enacted into law in the tenth member state. The provisions, which become effective at that time,
46 shall be limited to the powers granted to the commission relating to assembly and the promulgation
47 of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the
48 implementation and administration of the compact.

1 2. Any state that joins the compact subsequent to the commission's initial adoption of the
2 rules shall be subject to the rules as they exist on the date on which the compact becomes law in that
3 state. Any rule that has been previously adopted by the commission shall have the full force and
4 effect of law on the day the compact becomes law in that state.

5 3. Any member state may withdraw from this compact by enacting a statute repealing the
6 same.

7 (1) A member state's withdrawal shall not take effect until six months after enactment of the
8 repealing statute.

9 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS
10 authority to comply with the investigative and adverse action reporting requirements of this act prior
11 to the effective date of withdrawal.

12 4. Nothing contained in this compact shall be construed to invalidate or prevent any EMS
13 personnel licensure agreement or other cooperative arrangement between a member state and a
14 nonmember state that does not conflict with the provisions of this compact.

15 5. This compact may be amended by the member states. No amendment to this compact
16 shall become effective and binding upon any member state until it is enacted into the laws of all
17 member states.

18 334.1539. This compact shall be liberally construed so as to effectuate the purposes thereof.
19 If this compact shall be held contrary to the constitution of any member state thereto, the compact
20 shall remain in full force and effect as to the remaining member states. Nothing in this compact
21 supersedes state law or rules related to licensure of EMS agencies."; and
