29 b. Provide remedial training and specific technical assistance regarding the default.

30 2. If a state in default fails to cure the default, the defaulting state may be terminated from
31 the compact upon an affirmative vote of a majority of the member states, and all rights, privileges
32 and benefits conferred by this compact may be terminated on the effective date of termination. A
33 cure of the default does not relieve the offending state of obligations or liabilities incurred during
34 the period of default.

35 3. Termination of membership in the compact shall be imposed only after all other means of
36 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given
37 by the commission to the governor, the majority and minority leaders of the defaulting state's
38 legislature, and each of the member states.

39 4. A state that has been terminated is responsible for all assessments, obligations, and
40 liabilities incurred through the effective date of termination, including obligations that extend
41 beyond the effective date of termination.

42 5. The commission shall not bear any costs related to a state that is found to be in default or
43 that has been terminated from the compact, unless agreed upon in writing between the commission
44 and the defaulting state.

45 6. The defaulting state may appeal the action of the commission by petitioning the United
46 States District Court for the District of Columbia or the federal district where the commission has its
47 principal offices. The prevailing member shall be awarded all costs of such litigation, including
48 reasonable attorney's fees.

1 C. Dispute Resolution

2 1. Upon request by a member state, the commission shall attempt to resolve disputes related
 3 to the compact that arise among member states and between member and nonmember states.

4 2. The commission shall promulgate a rule providing for both mediation and binding
 5 dispute resolution for disputes as appropriate.

6 D. Enforcement

7 1. The commission, in the reasonable exercise of its discretion, shall enforce the provisions
 8 and rules of this compact.

9 2. By majority vote, the commission may initiate legal action in the United States District
 10 Court for the District of Columbia or the federal district where the commission has its principal
 11 offices against a member state in default to enforce compliance with the provisions of the compact
 12 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and
 13 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all
 14 costs of such litigation, including reasonable attorney's fees.

15 3. The remedies herein shall not be the exclusive remedies of the commission. The
 16 commission may pursue any other remedies available under federal or state law.

17 334.1230. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
 18 PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND
 19 AMENDMENT

20 A. The compact shall come into effect on the date on which the compact statute is enacted
 21 into law in the tenth member state. The provisions, which become effective at that time, shall be
 22 limited to the powers granted to the commission relating to assembly and the promulgation of rules.
 23 Thereafter, the commission shall meet and exercise rulemaking powers necessary to the
 24 implementation and administration of the compact.

25 B. Any state that joins the compact subsequent to the commission's initial adoption of the
 26 rules shall be subject to the rules as they exist on the date on which the compact becomes law in that
 27 state. Any rule that has been previously adopted by the commission shall have the full force and
 28 effect of law on the day the compact becomes law in that state.

29 C. Any member state may withdraw from this compact by enacting a statute repealing the
 30 same.

31 1. A member state's withdrawal shall not take effect until six months after enactment of the
 32 repealing statute.

33 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
 34 physical therapy licensing board to comply with the investigative and adverse action reporting
 35 requirements of this act prior to the effective date of withdrawal.

36 D. Nothing contained in this compact shall be construed to invalidate or prevent any
 37 physical therapy licensure agreement or other cooperative arrangement between a member state and
 38 a nonmember state that does not conflict with the provisions of this compact.

39 E. This compact may be amended by the member states. No amendment to this compact
 40 shall become effective and binding upon any member state until it is enacted into the laws of all
 41 member states.

42 334.1233. CONSTRUCTION AND SEVERABILITY

43 This compact shall be liberally construed so as to effectuate the purposes thereof. The
 44 provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this
 45 compact is declared to be contrary to the constitution of any party state or of the United States or the
 46 applicability thereof to any government, agency, person or circumstance is held invalid, the validity
 47 of the remainder of this compact and the applicability thereof to any government, agency, person or
 48 circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution

1 of any party state, the compact shall remain in full force and effect as to the remaining party states
2 and in full force and effect as to the party state affected as to all severable matters."; and
