 5 the time of an accident.

6 379.1704. The transportation network company shall disclose in writing to transportation
 7 network company drivers the following before they are allowed to accept a request for a
 8 prearranged ride on the transportation network company's digital network:

9 (1) The insurance coverage, including the types of coverage and the limits for each
 10 coverage, that the transportation network company provides while the transportation network
 11 company driver uses a personal vehicle in connection with a transportation network company's
 12 digital network; and

13 (2) That the transportation network company driver's own automobile insurance policy
 14 might not provide any coverage while the driver is logged on to the transportation network
 15 company's digital network and is available to receive transportation requests or is engaged in a
 16 prearranged ride depending on the policy's terms.

17 379.1706. A transportation network company shall make the following disclosure to a
 18 prospective driver in the prospective driver's terms of service:

19

 28 THE PAYMENT DIRECTLY TO THE BUSINESS REPAIRING THE VEHICLE OR JOINTLY
 29 TO THE OWNER OF THE VEHICLE AND THE PRIMARY LIENHOLDER ON THE
 30 COVERED VEHICLE.

31
 32 The disclosure set forth in this subsection shall be placed prominently in the prospective driver's
 33 written terms of service, and the prospective driver shall acknowledge the terms of service
 34 electronically or by signature.

39 (1) A driver is logged on to a transportation network company's digital network;

2
3 Such exclusions shall apply notwithstanding any financial responsibility requirement or uninsured
4 motorist coverage requirement under the motor vehicle financial responsibility law, chapter 303, or
5 section 379.203, respectively. Nothing in this section implies or requires that a personal automobile
6 insurance policy provide coverage while the driver is logged on to the transportation network
7 company's digital network, while the driver is engaged in a prearranged ride, or while the driver
8 otherwise uses a vehicle to transport passengers or property for compensation.

9 3. Nothing shall be deemed to preclude an insurer from providing coverage for the
10 transportation network company driver's vehicle, if it chooses to do so by contract or endorsement.

11 4. Automobile insurers that exclude the coverage described under section 379.1702 shall
12 have no duty to defend or indemnify any claim expressly excluded thereunder. Nothing in this
13 section shall be deemed to invalidate or limit an exclusion contained in a policy, including any
14 policy in use or approved for use in Missouri prior to the enactment of this section that excludes
15 coverage for vehicles used to carry persons or property for a charge or available for hire by the
16 public.

17 5. An automobile insurer that defends or indemnifies a claim against a driver that is
18 excluded under the terms of its policy shall have a right of contribution against other insurers that
19 provide automobile insurance to the same driver in satisfaction of the coverage requirements of
20 section 379.1702 at the time of loss.

21 6. In a claims coverage investigation, transportation network companies and any insurer
22 providing coverage under section 379.1702 shall cooperate to facilitate the exchange of relevant
23 information with each other and any insurer of the transportation network company driver if
24 applicable, including the precise times that a transportation network company driver logged on and
25 off of the transportation network company's digital network in the twelve-hour period immediately
26 preceding and in the twelve-hour period immediately following the accident and disclose to one
