This definition shall be construed as the successor to subdivision (7) of section 173.205 for purposes of eligibility requirements of other financial assistance programs that refer to section 173.205.

2. The failure of an approved virtual institution to continuously maintain all of the requirements in subdivision (4) of subsection 1 of this section shall preclude such institution's students or applicants from being eligible for assistance under sections 173.1104 and 173.1105.

173.1104. 1. An applicant shall be eligible for initial or renewed financial assistance only if, at the time of application and throughout the period during which the applicant is receiving such

1 assistance, the applicant:

- 2 (1) Is a citizen or a permanent resident of the United States;
- 3 (2) Is a resident of the state of Missouri, as determined by reference to standards

- 8 to a degree in theology or divinity.

9 2. If an applicant is found guilty of or pleads guilty to any criminal offense during the

10 period of time in which the applicant is receiving financial assistance, such applicant shall not be

11 eligible for renewal of such assistance, provided such offense would disqualify the applicant from

12 receiving federal student aid under Title IV of the Higher Education Act of 1965, as amended.

13 3. Financial assistance shall be allotted for one academic year, but a recipient shall be

14 eligible for renewed assistance until he or she has obtained a baccalaureate degree, provided such

15 financial assistance shall not exceed a total of ten semesters or fifteen quarters or their equivalent.

16 Standards of eligibility for renewed assistance shall be the same as for an initial award of financial

17 assistance, except that for renewal, an applicant shall demonstrate a grade-point average of two and

18 five-tenths on a four-point scale, or the equivalent on another scale. This subsection shall be

19 construed as the successor to section 173.215 for purposes of eligibility requirements of other

20 financial assistance programs that refer to section 173.215.

21 173.1105. 1. An applicant who is an undergraduate postsecondary student at an approved

22 private, [or] public, or virtual institution and who meets the other eligibility criteria shall be eligible

23 for financial assistance, with a minimum and maximum award amount as follows:

- 24 (1) For academic years 2010-11, 2011-12, 2012-13, and 2013-14:
- 25 (a) One thousand dollars maximum and three hundred dollars minimum for students
- 26 attending institutions classified as part of the public two-year sector;
- 27 (b) Two thousand one hundred fifty dollars maximum and one thousand dollars minimum
- 28 for students attending institutions classified as part of the public four-year sector, including State
- 29 Technical College of Missouri; and
- 30 (c) Four thousand six hundred dollars maximum and two thousand dollars minimum for
- 31 students attending approved private institutions;
- 32 (2) For the 2014-15 academic year and subsequent years:
- 33 (a) One thousand three hundred dollars maximum and three hundred dollars minimum for
- 34 students attending institutions classified as part of the public two-year sector; and
- 35 (b) Two thousand eight hundred fifty dollars maximum and one thousand five hundred
- 36 dollars minimum for students attending institutions classified as part of the public four-year sector,
- 37 including State Technical College of Missouri[, or]; approved private institutions; or approved
- 38 virtual institutions.

39 2. All students with an expected family contribution of twelve thousand dollars or less shall

40 receive at least the minimum award amount for his or her institution. Maximum award amounts for

41 an eligible student with an expected family contribution above seven thousand dollars shall be

42 reduced by ten percent of the maximum expected family contribution for his or her increment

43 group. Any award amount shall be reduced by the amount of a student's payment from the A+

44 schools program or any successor program to it. For purposes of this subsection, the term

45 "increment group" shall mean a group organized by expected family contribution in five hundred

46 dollar increments into which all eligible students shall be placed.

47 3. If appropriated funds are insufficient to fund the program as described, the maximum

48 award shall be reduced across all sectors by the percentage of the shortfall. If appropriated funds

1 exceed the amount necessary to fund the program, the additional funds shall be used to increase the
2 number of recipients by raising the cutoff for the expected family contribution rather than by
3 increasing the size of the award.

4 4. Every three years, beginning with academic year 2009-10, the award amount may be
5 adjusted to increase no more than the Consumer Price Index for All Urban Consumers (CPI-U),
6 1982-1984 = 100, not seasonally adjusted, as defined and officially recorded by the United States
7 Department of Labor, or its successor agency, for the previous academic year. The coordinating
8 board shall prepare a report prior to the legislative session for use of the general assembly and the
9 governor in determining budget requests which shall include the amount of funds necessary to
10 maintain full funding of the program based on the baseline established for the program upon the
11 effective date of sections 173.1101 to 173.1107. Any increase in the award amount shall not
12 become effective unless an increase in the amount of money appropriated to the program necessary
13 to cover the increase in award amount is passed by the general assembly.

14 173.1107. A recipient of financial assistance may transfer from one approved public [or],
15 private, or virtual institution to another without losing eligibility for assistance under sections
16 173.1101 to 173.1107, but the coordinating board shall make any necessary adjustments in the
17 amount of the award. If a recipient of financial assistance at any time is entitled to a refund of any
18 tuition, fees, or other charges under the rules and regulations of the institution in which he or she is
19 enrolled, the institution shall pay the portion of the refund which may be attributed to the state grant
20 to the coordinating board. The coordinating board will use these refunds to make additional awards
21 under the provisions of sections 173.1101 to 173.1107."; and
22

23 Further amend said bill by amending the title, enacting clause, and intersectional references
24 accordingly.
