173.005;

- (2) "Core curriculum", the basic competencies to be met, which shall include communicating, higher-order thinking, managing information, valuing, and includes the knowledge areas of social and behavioral sciences, humanities and fine arts, mathematics, and life and physical sciences;
- (3) "Faculty member", a person who is employed full-time by a community college or other public institution of higher education as a member of the faculty whose primary duties include teaching, research, academic service, or administration;
- (4) "Native student", a student whose initial college enrollment was at an institution of higher education and who has not transferred to any other institution since that initial enrollment and who has completed no more than eleven credit hours at any other institution of higher education
- 178.786. 1. The coordinating board for higher education, with the assistance of an advisory committee composed of representatives from each public community college in this state and each public four-year institution of higher education, shall develop a recommended lower division core curriculum of forty-two semester credit hours, including a statement of the content, component areas, and objectives of the core curriculum. A majority of the members of the advisory committee shall be faculty members of a community college or a public four-year institution of higher education.
- 2. The coordinating board shall approve a common course numbering equivalency matrix for the forty-two credit hour block at all institutions of higher education in the state to facilitate the transfer of those courses among institutions of higher education by promoting consistency in course designation and course identification. Each community college and four-year institution of higher education shall include in its course listings the applicable course numbers from the common course numbering equivalency matrix approved by the coordinating board under this subsection.
- 3. The coordinating board shall complete the requirements of subsections 1 and 2 of this section prior to January 1, 2018, for implementation of the core curriculum transfer recommendations for the 2018-19 academic year for all public institutions of higher education.
- 178.787. 1. Each community college, as defined in section 163.191, and public four-year institution of higher education shall adopt the forty-two credit hour block, including specific courses comprising the curriculum, based on the core curriculum recommendations made by the coordinating board for higher education under subsections 1 and 2 of section 178.786, for implementation beginning in the 2018-19 academic year.
- 2. If a student successfully completes the forty-two credit core curriculum at a community college or other public institution of higher education, that block of courses may be transferred to any other public institution of higher education in this state and shall be substituted for the receiving institution's core curriculum. A student shall receive academic credit for each of the courses transferred and shall not be required to take additional core curriculum courses at the receiving institution.
- 3. A student who transfers from one public institution of higher education to another public institution of higher education in the state without completing the core curriculum of the sending institution shall receive academic credit from the receiving institution for each of the courses that the student has successfully completed in the core curriculum of the sending institution. Following receipt of credit for these courses, the student may be required to satisfy further course requirements in the core curriculum of the receiving institution.
- 178.788. 1. The coordinating board for higher education, in consultation with the advisory board established in section 178.786, shall develop criteria to evaluate the transfer practices of each public institution of higher education in this state and shall evaluate the transfer practices of each

Page 2 of 4

institution based on this criteria.

- 2. The coordinating board shall develop procedures to be followed by institutions of higher education in resolving disputes concerning the transfer of course credit and by the commissioner of higher education in making a final determination concerning transfer of course credit if a transfer is in dispute.
- 3. Each institution of higher education shall publish in its course catalogs and on its official website the procedures adopted by the board under subsections 1 and 2 of this section.
- 4. If an institution of higher education does not accept course credit earned by a student at another public institution of higher education, that institution shall give written notice to the student and the other institution that the transfer of the course credit is denied. The two institutions and the student shall attempt to resolve the transfer of the course credit in accordance with rules promulgated by the coordinating board. If the transfer dispute is not resolved to the satisfaction of the student or the institution at which the credit was earned within forty-five days after the date the student received written notice of the denial, the institution that denies the transfer of the course credit shall notify the commissioner of higher education of its denial and the reasons for the denial.
- 5. The commissioner of higher education or his or her designee shall make the final determination about a dispute concerning the transfer of course credit and give written notice of the determination as to the involved student and institutions.
- 6. The coordinating board shall collect data on the types of transfer disputes that are reported and the disposition of each case that is considered by the commissioner of higher education or the commissioner's designee.
- 7. The provisions of sections 178.785 to 178.789 shall not apply to native students who are not seeking to transfer credits nor affect the authority of an institution of higher education to adopt its own admission standards or its own grading policies.
- 8. Students enrolled in professional programs shall complete the appropriate core curriculum that is required for accreditation or licensure.
- 178.789. The coordinating board for higher education may promulgate all necessary rules and regulations for the administration of sections 178.785 to 178.789. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void.
- Section 1. 1. Notwithstanding any other provision of law to the contrary, if the spouse of any full-time employee of a public institution of higher education incurs out-of-state travel costs that are paid for or reimbursed by such institution then such employee shall be required to file a quarterly travel report with the Missouri ethics commission listing the date or dates, location, purpose, and the full cost of any out-of-state travel made by such employee's spouse. Such costs shall include, but not be limited to, any transportation costs, lodging costs, and meal expenses that are paid for or reimbursed by the public institution. The commission shall publish travel reports in an electronic format on the commission's website and shall enable the reports to be easily searched by name, employee position, and institutional affiliation. The commission shall enable the electronic filing of reports.
- 2. In addition to the quarterly reports required under subsection 1 of this section, any spouse of a full-time employee of a public institution of higher education whose travels were funded by such public institution under the provisions of subsection 1 of this section during the one-year

Page 3 of 4

- period immediately before the effective date of this section shall, no later than six months after the
 effective date of this section, file an additional travel report with the commission covering travel
 expenditures during that one-year period. This travel report shall be identical in content to the
 quarterly travel reports required under subsection 1 of this section."; and
- Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
