FISCAL ANALYSIS

ASSUMPTION

Officials at the **Wright City R-2 School District** assume the cost could be millions if the District is not allowed to accelerate payments when it is an option. It will also make it longer for the District to be within bonding capacity if the District grows too fast, thus causing hundreds of thousands in rentals.

Oversight assumes the levy rate for certain bond issues shall be set at the rate needed to meet the obligation of the bond payment and may be adjusted solely to meet such obligation. Oversight assumes this proposal would have no local fiscal impact without action by the governing body and will reflect a \$0 impact to Local Political Subdivisions.

Officials at the **Office of the State Auditor** assume no fiscal impact from this proposal.
