FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (DPS) - Office of the Director** state they see costs required to design the poster, determine what languages are required, provide the poster in multiple languages, and make it available for print on our public website. However, we cannot ascertain the costs for this effort at this time and provide them as Unknown - under \$100,000.

Oversight assumes these costs would be incurred in the first fiscal year, and assume DPS could absorb any additional costs in later fiscal years.
