## **FISCAL ANALYSIS**

### **ASSUMPTION**

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

#### **§160.665 Conceal and Carry in School Districts**

**Oversight** notes this proposal states that should a school district allow staff members to conceal and carry weapons a sign must be posted on the school property announcing it. Oversight assumes that should a school district choose to allow staff to conceal and carry they will have to provide the sign using existing resources. Oversight is unable to determine if any school district would be required to post the sign. Oversight will not show a fiscal impact from this proposal.

**Oversight** notes that this proposal states that should a school district decide to not allow staff members to conceal and carry they must notify each parent in writing. Oversight assumes that any notification could be included with other notifications and would not have a fiscal impact.

Officials at the **Department of Elementary and Secondary Education (DESE)** assume no fiscal impact to the department. DESE defers to the school district for any fiscal impact.

Officials at the **Macon County R-IV School District** assume \$60 to notify all parents that staff will not conceal and carry.

Officials at the **West Plains School District** assume the only cost is mailing costs for notification which is estimated to be \$2,500 annually.

#### **§162.068 and §610.021 Information Shared Between School Districts**

**Oversight** notes this portion of the proposal requires school districts to create a policy to share information about former employees. Oversight assumes this would not have a fiscal impact.

Officials at the **DESE** assume no fiscal impact to the department.

#### **Bill as a Whole**

Officials at the **Kansas City, Malta Bend** and the **New Haven** school districts each assume there is no fiscal impact from this proposal.

ASSUMPTION (continued)

Officials at the **Chillicothe School District** responded to Oversight's request but did not indicate a fiscal impact.
