FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Oversight notes this proposal would require the Department of Higher Education (DHE) to list on its website those public higher education institutions that meet the requirements of §173.616.1(2),(3) and (4).

Officials at the **Department of Higher Education** assume the list that is required to be made available on the website, can be done with existing staff and resources.
