53  
54

55 Upon executing such affidavit, the individual may cast a provisional ballot. Such provisional  
56 ballot shall be counted, provided the election authority verifies the identity of the individual by  
57 comparing that individual's signature to the signature on file with the election authority and  
58 determines that the individual was eligible to cast a ballot at the polling place where the ballot  
59 was cast.

83 [5.] 6. A voter shall be allowed to cast a provisional ballot under section 115.430 even  
84 if the election judges cannot establish the voter's identity under [subsection 1 of] this section.  
85 The election judges shall make a notation on the provisional ballot envelope to indicate that the

86 voter's identity was not verified. The provisional ballot cast by such voter shall not be counted  
87 unless:

88 (1) The voter returns to the [polling place during the uniform polling hours established  
89 by section 115.407] **election authority within three days after the election** and provides a form  
90 of personal identification that allows the election [judges] **authority** to verify the voter's identity  
91 as provided in [subsection 1 of] this section; and

92 (2) The provisional ballot otherwise qualifies to be counted under section 115.430.

93 [6.] 7. The secretary of state shall provide advance notice of the personal identification  
94 requirements of [subsection 1 of] this section in a manner calculated to inform the public  
95 generally of the requirement for [photographic] **forms of** personal identification as provided in  
96 this section. Such advance notice shall include, at a minimum, the use of advertisements and

101 **and all fee offices shall provide one such form of the personal identification required to**  
102 **vote at no cost to any otherwise qualified voter who does not already possess such**  
103 **identification and who desires the identification in order to vote. Subject to the**  
104 **appropriation of funds, this state and its agencies shall provide one Missouri birth**  
105 **certificate free of charge to those seeking to obtain identification in order to vote. If an**  
106 **individual seeking to vote was not born in this state, then this state and its agencies shall**  
107 **pay any fee or fees charged by another state or its agencies for a birth certificate or for**  
108 **other documents legally required by the other state to obtain a birth certificate. If there**  
109 **is no appropriation of funds, then election authorities shall not enforce the photographic**  
110 **identification provisions of this section.** Any applicant who requests a nondriver's license with  
111 a photograph or digital image for the purpose of voting shall not be required to pay a fee if the  
112 applicant executes an affidavit averring that the applicant does not have any other form of  
113 [photographic] personal identification that meets the requirements of [subsection 1 of] this  
114 section. The state of Missouri shall pay the legally required fees for any such applicant. The  
115 director shall design an affidavit to be used for this purpose. [However, any disabled or elderly  
116 person otherwise competent to vote shall be issued a nondriver's license photo identification  
117 through a mobile processing system operated by the Missouri department of revenue upon  
118 request if the individual is physically unable to otherwise obtain a nondriver's license photo  
119 identification. The department of revenue shall make nondriver's license photo identifications  
120 available through its mobile processing system only at facilities licensed under chapter 198 and  
121 other public places accessible to and frequented by disabled and elderly persons. The department

122 shall provide advance notice of the times and places when the mobile processing system will be  
 123 available. At least nine mobile units housed under the office of administration shall remain  
 124 available for dispatch upon the request of the department of revenue to fulfill the requirements  
 125 of this section.] The total cost associated with nondriver's license photo identification under this  
 126 subsection shall be borne by the state of Missouri from funds appropriated to the department of  
 127 revenue for that specific purpose. The department of revenue and a local election authority may  
 128 enter into a contract that allows the local election authority to assist the department in issuing  
 129 nondriver's license photo identifications.

130 [8.] 9. The director of the department of revenue shall, by January first of each year,  
 131 prepare and deliver to each member of the general assembly a report documenting the number  
 132 of individuals who have requested and received a nondriver's license photo identification for the  
 133 purposes of voting under this section. The report shall also include the number of persons  
 134 requesting a nondriver's license for purposes of voting under this section, but not receiving such  
 135 license, and the reason for the denial of the nondriver's license.

136 [9.] 10. The precinct register shall serve as the voter identification certificate. The  
 137 following form shall be printed at the top of each page of the precinct register:

148 [10.] 11. The secretary of state shall promulgate rules to effectuate the provisions of this  
 149 section.

150 [11.] 12. Any rule or portion of a rule, as that term is defined in section 536.010, that is  
 151 created under the authority delegated in this section shall become effective only if it complies  
 152 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.  
 153 This section and chapter 536 are nonseverable and if any of the powers vested with the general  
 154 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and  
 155 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and  
 156 any rule proposed or adopted after August 28, 2002, shall be invalid and void.

157 [12.] 13. If any voter is unable to sign his name at the appropriate place on the certificate  
158 or computer printout, an election judge shall print the name and address of the voter in the  
159 appropriate place on the precinct register, the voter shall make his mark in lieu of signature, and  
160 the voter's mark shall be witnessed by the signature of an election judge.

161 [13. For any election held on or before November 1, 2008, an individual who appears  
162 at a polling place without identification in the form described in subsection 1 of this section, and  
163 who is otherwise qualified to vote at that polling place, may cast a provisional ballot after:

164 (1) Executing an affidavit which is also signed by two supervising election judges, one  
165 from each major political party, who attest that they have personal knowledge of the identity of  
166 the voter, provided that the two supervising election judges who sign an affidavit under this  
167 subdivision shall not be involved or participate in the verification of the voter's eligibility by the  
168 election authority after the provisional ballot is cast; or

169 (2) (a) Executing an affidavit affirming his or her identity; and

170 (b) Presenting a form of identification from the following list:

177 government document that contains the name and address of the voter; or

178 e. Driver's license or state identification card issued by another state. Such provisional  
179 ballot shall be entitled to be counted, provided the election authority verifies the identity of the  
180 individual by comparing that individual's signature to the current signature on file with the  
181 election authority and determines that the individual was otherwise eligible to cast a ballot at the  
182 polling place where the ballot was cast.

183 14. The affidavit to be used for voting under subsection 13 of this section shall be  
184 substantially in the following form:

185 "State of .....

186 County of .....

187 I do solemnly swear (or affirm) that my name is .....; that I reside at .....; and  
188 that I am the person listed in the precinct register under this name and at this address.

193 Subscribed and affirmed before me this ..... day of ....., 20....  
194 .....

195 Signature of Election Official".

196 15. The provisions of subsections 1 to 5 and 8 to 14 of this section shall become  
197 effective August 28, 2006, and this subsection shall expire September 1, 2006.]

115.430. 1. This section shall apply to primary and general elections where candidates  
2 for federal or statewide offices are nominated or elected and any election where statewide issue  
3 or issues are submitted to the voters. **In addition, any person denied the ability to cast a**  
4 **regular ballot because of a lack of photographic identification under section 115.427 shall**  
5 **be allowed to vote by provisional ballot.**

6 [2.] (1) A voter claiming to be properly registered in the jurisdiction of the election  
7 authority and eligible to vote in an election, but whose eligibility at that precinct cannot be  
8 immediately established upon examination of the precinct register, shall be entitled to vote a  
9 provisional ballot after providing a form of personal identification required pursuant to section  
10 115.427 or upon executing an affidavit under section 115.427, or may vote at a central polling  
11 place as established in section 115.115 where the voter may vote his or her appropriate ballot for  
12 his or her precinct of residence upon verification of eligibility or vote a provisional ballot if  
13 eligibility cannot be determined. The provisional ballot provided to a voter under this section  
14 shall be the ballot provided to a resident of the voter's precinct determined by reference to the  
15 affidavit provided for in this section. If the voter declares that the voter is eligible to vote and  
16 the election authority determines that the voter is eligible to vote at another polling place, the  
17 voter shall be directed to the correct polling place or a central polling place as established by the  
18 election authority pursuant to subsection 5 of section 115.115. If the voter refuses to go to the  
19 correct polling place or a central polling place, the voter shall be permitted to vote a provisional  
20 ballot at the incorrect polling place, but such ballot shall not be counted if the voter was not  
21 eligible to vote at that polling place.

22 (2) The following steps shall be taken to establish a voter's eligibility to vote at a polling  
23 place:

24 (a) The election judge shall examine the precinct register as provided in section 115.425.  
25 If the voter is registered and eligible to vote at the polling place, the voter shall receive a regular  
26 ballot;

27 (b) If the voter's eligibility cannot be immediately established by examining the precinct  
28 register, the election judge shall contact the election authority. If the election authority cannot  
29 immediately establish that the voter is registered and eligible to vote at the polling place upon  
30 examination of the Missouri voter registration system, or if the election judge is unable to make

31 contact with the election authority immediately, the voter shall be notified that the voter is  
32 entitled to a provisional ballot.

33 (3) The voter shall have the duty to appear and vote at the correct polling place. If an  
34 election judge determines that the voter is not eligible to vote at the polling place at which a  
35 voter presents himself or herself, and if the voter appears to be eligible to vote at another polling  
36 place, the voter shall be informed that he or she may cast a provisional ballot at the current  
37 polling place or may travel to the correct polling place or a central polling place, as established  
38 by the election authority under subsection 5 of section 115.115, where the voter may cast a  
39 regular ballot or provisional ballot if the voter's eligibility still cannot be determined. Provisional  
40 ballots cast at a polling place shall be counted only if the voter was eligible to vote at such  
41 polling place as provided in subsection [5] 4 of this section.

42 (4) For a voter requesting an absentee ballot in person, such voter shall be entitled to cast  
43 a provisional ballot when the voter's eligibility cannot be immediately established upon  
44 examination of the precinct registers or the Missouri voter registration system.

45 (5) Prior to accepting any provisional ballot at the polling place, the election judges shall  
46 determine that the information provided on the provisional ballot envelope by the provisional  
47 voter is consistent with the identification provided by such person under section 115.427.

48 [3.] 2. (1) No person shall be entitled to receive a provisional ballot until such person  
49 has completed a provisional ballot affidavit on the provisional ballot envelope.

50 (2) The secretary of state shall produce appropriate sizes of provisional ballot envelopes  
51 and distribute them to each election authority according to their tabulating system. All  
52 provisional ballot envelopes shall be printed on a distinguishable color of paper that is different  
53 from the color of the regular ballot. The provisional ballot envelope shall be in the form required  
54 by subsection [4] 3 of this section. All provisional ballots shall be marked with a conspicuous  
55 stamp or other distinguishing mark that makes them readily distinguishable from the regular  
56 ballots.

57 (3) Once voted, the provisional ballot shall be placed and sealed in a provisional ballot  
58 envelope.

59 [4.] 3. The provisional ballot in its envelope shall be deposited in the ballot box. The  
60 provisional ballot envelope shall be completed by the voter for use in determining eligibility.  
61 The provisional ballot envelope specified in this section shall contain a voter's certificate which  
62 shall be in substantially the following form:

63 STATE OF .....

64 COUNTY OF .....

65 I do solemnly swear (or affirm) that my name is .....; that my date of birth is

68 I am a qualified voter of said County (or City not within a County); that I am eligible to vote at  
69 this polling place; and that I have not voted in this election.

70 I understand that if the above-provided information is not correct and the election  
71 authority determines that I am not registered and eligible to vote, my vote will not be counted.  
72 I further understand that knowingly providing false information is a violation of law and subjects  
73 me to possible criminal prosecution.

81 The voter may provide additional information to further assist the election authority in  
82 determining eligibility, including the place and date the voter registered to vote, if known.

83 [5.] 4. (1) Prior to counting any provisional ballot, the election authority shall determine  
84 if the voter is registered and eligible to vote and if the vote was properly cast. The eligibility of  
85 provisional votes shall be determined according to the requirements for a voter to cast a ballot  
86 in the election as set forth in sections 115.133 and 115.135. A provisional [voter] ballot shall  
87 not be eligible to be counted until the election authority has determined that:

88 (a) The voter cast such provisional ballot at a polling place established for the voter or  
89 the central polling place established by the election authority under subsection 5 of section  
90 115.115;

91 (b) The individual who cast the provisional ballot is an individual registered to vote in  
92 the respective election at the polling place where the ballot was cast;

93 (c) The voter did not otherwise vote in the same election by regular ballot, absentee  
94 ballot, or otherwise; and

95 (d) The information on the provisional ballot envelope is found to be correct, complete,  
96 and accurate.

97 (2) When the ballot boxes are delivered to the election authority from the polling places,  
98 the receiving teams shall separate the provisional ballots from the rest of the ballots and place  
99 the sealed provisional ballot envelopes in a separate container. Teams of election authority  
100 employees or teams of election judges with each team consisting of one member of each major  
101 political party shall photocopy each provisional ballot envelope, such photocopy to be used by  
102 the election authority to determine provisional voter eligibility. The sealed provisional ballot

103 envelopes shall be placed by the team in a sealed container and shall remain therein until  
104 tabulation.

105 (3) To determine whether a provisional ballot is valid and entitled to be counted, the  
106 election authority shall examine its records and verify that the provisional voter is properly  
107 registered and eligible to vote in the election. If the provisional voter has provided information  
108 regarding the registration agency where the provisional voter registered to vote, the election  
109 authority shall make an inquiry of the registration agency to determine whether the provisional  
110 voter is properly registered and eligible to vote in the election.

111 (4) If the election authority determines that the provisional voter is registered and eligible  
112 to vote in the election, the election authority shall provide documentation verifying the voter's  
113 eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and  
114 shall contain substantially the following information:

115 (a) The name of the provisional voter;

116 (b) The name of the reviewer;

117 (c) The date and time; and

118 (d) A description of evidence found that supports the voter's eligibility.

119 (5) The local election authority shall record on a provisional ballot acceptance/rejection  
120 list the provisional ballot identification number and a notation marking it as accepted.

121 (6) If the election authority determines that the provisional voter is not registered or  
122 eligible to vote in the election, the election authority shall provide documentation verifying the  
123 voter's ineligibility. Such documentation shall be noted on the copy of the provisional ballot  
124 envelope and shall contain substantially the following information:

125 (a) The name of the provisional voter;

126 (b) The name of the reviewer;

127 (c) The date and time;

128 (d) A description of why the voter is ineligible.

129 (7) The local election authority shall record on a provisional ballot acceptance/rejection  
130 list the provisional ballot identification number and notation marking it as rejected.

131 (8) If rejected, a photocopy of the envelope shall be made and used by the election  
132 authority as a mail-in voter registration. The actual provisional ballot envelope shall be kept as  
133 ballot material, and the copy of the envelope shall be used by the election authority for  
134 registration record keeping.

135 [6.] 5. All provisional ballots cast by voters whose eligibility has been verified as  
136 provided in this section shall be counted in accordance with the rules governing ballot tabulation.  
137 Provisional ballots shall not be counted until all provisional ballots are determined either eligible  
138 or ineligible and all provisional ballots must be processed before the election is certified. The

139 provisional ballot shall be counted only if the election authority determines that the voter is  
140 registered and eligible to vote. Provisional ballots voted in the wrong polling place shall not be  
141 counted. If the voter is not registered but is qualified to register for future elections, the affidavit  
142 shall be considered a mail-in application to register to vote pursuant to this chapter.

143 [7.] 6. (1) After the election authority completes its review of the provisional voter's  
144 eligibility under subsection 5 of this section, the election authority shall deliver the provisional  
145 ballots and copies of the provisional ballot envelopes that include eligibility information to  
146 bipartisan counting teams, which may be the board of verification, for review and tabulation.  
147 The election authority shall maintain a record of such delivery. The record shall include the  
148 number of ballots delivered to each team and shall include a signed receipt from two judges, one  
149 from each major political party. The election authority shall provide each team with a ballot box  
150 and material necessary for tabulation.

151 (2) If the person named on the provisional ballot affidavit is found to have been properly  
152 qualified and registered to cast a ballot in the election and the provisional ballot otherwise  
153 qualifies to be counted under the provisions of this section, the envelope shall be opened, and  
154 the ballot shall be placed in a ballot box to be counted.

155 (3) If the person named on the provisional ballot affidavit is found not to have been  
156 properly qualified and registered to cast a ballot in the election or if the election authority is  
157 unable to determine such person's right to vote, the envelope containing the provisional ballot  
158 shall not be opened, and the person's vote shall not be counted. The members of the team shall  
159 follow the procedures set forth in subsection [5] 4 of this section for rejected provisional ballots.

160 (4) The votes shall be tallied and the returns made as provided in sections 115.447 to  
161 115.525 for paper ballots. After the vote on all ballots assigned to a team have been counted,  
162 the ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information  
163 provided by the election authority shall be enclosed in sealed containers marked "Voted  
164 provisional ballots and ballot envelopes from the election held ....., 20...". All rejected  
165 provisional ballots, ballot envelopes, and copies of ballot envelopes with the eligibility  
166 information provided by the election authority shall be enclosed in sealed containers marked
