15 all of the provisions of chapter 536 and, if applicable, section
16 536.028. This section and chapter 536 are nonseverable and if
17 any of the powers vested with the general assembly pursuant to
18 chapter 536 to review, to delay the effective date, or to

13 that is created under the authority delegated in this section
14 shall become effective only if it complies with and is subject to
15 all of the provisions of chapter 536 and, if applicable, section
16 536.028. This section and chapter 536 are nonseverable and if any

26 subsection 8 of section 301.130 to the contrary, the director
27 shall allow the special personalized license plates to be

12 containing any letters, numbers or combination of letters and
13 numbers which are obscene, profane, patently offensive or
14 contemptuous of a racial or ethnic group, or offensive to good
15 taste or decency, or would present an unreasonable danger to the
16 health or safety of the applicant, of other users of streets and
17 highways, or of the public in any location where the vehicle with
18 such a plate may be found. The director may recall any
19 personalized license plates, including those issued prior to
20 August 28, 1992, if the director determines that the plates are
21 obscene, profane, patently offensive or contemptuous of a racial
22 or ethnic group, or offensive to good taste or decency, or would
23 present an unreasonable danger to the health or safety of the
24 applicant, of other users of streets and highways, or of the
25 public in any location where the vehicle with such a plate may be
26 found. Where the director recalls such plates pursuant to the
27 provisions of this subsection, the director shall reissue

7 purpose of motor vehicle license plates is to identify motor
8 vehicles. Nothing in the issuance of a personalized license
9 plate creates a designated or limited public forum. Nothing
10 contained in this subsection shall be interpreted to prohibit the
11 use of license plates, which are no longer valid for registration
12 purposes, as collector's items or for decorative purposes.

13 4. The director may also establish categories of special
14 license plates from which license plates may be issued. Any such
15 person, other than a person exempted from the additional fee
16 pursuant to subsection 7 of this section, that desires a

4 application shall be accompanied by a statement stating that the
5 applicant has an unrevoked and unexpired amateur radio license
6 issued by the Federal Communications Commission and the official
7 radio call letters assigned by the Federal Communications
8 Commission to the applicant. An owner making a new application
