

HB 1775 -- PRESCRIPTIVE AUTHORITY

SPONSOR: Redmon

Currently, certain assistant physicians, advanced practice registered nurses, and physicians assistants can prescribe Schedule II medications which contain hydrocodone. Schedule II - hydrocodone prescriptions are limited to a five-day supply without refill. This bill provides that these medical professionals can prescribe all Schedule II prescriptions, which must be limited to a five-day supply without refill.

This bill is the same as SB 752 (2016).
