

HB 2041 -- MISSOURI STATE HIGHWAY PATROL

SPONSOR: Peters

This bill requires the Missouri State Highway Patrol to investigate any incident between a law enforcement officer and a civilian that involves a shooting of a civilian by a law enforcement officer, or a shooting of a law enforcement officer by a civilian, and any incident between a law enforcement officer and a civilian that involves use of force by the law enforcement officer or civilian that results in serious bodily injury or death.

The Missouri State Highway Patrol will be reimbursed by the local law enforcement agency for any expenses incurred as a result of the investigation.
