

HB 2145 -- RESTITUTION FOR WRONGFUL IMPRISONMENT

SPONSOR: Smith

Currently, when an individual is found guilty of a felony and later found innocent of the crime as the result of a DNA profiling analysis the individual may be paid restitution in the amount of \$50 for each day of postconviction incarceration. This bill increases the amount to \$128 per day.

This bill is the same as HB 1192 (2015).
