SPONSOR: Koenig

This bill simplifies the laws regarding local sales and use tax administration and collection. The bill specifies that:

(1) When a city annexes or detaches property, the city clerk must forward a certified copy of the ordinance to the Director of the Department of Revenue within 10 days of adoption of the ordinance. The tax rate in the added or abolished territory must become effective on the first day of the calendar quarter after 120 days' notice to sellers of the change;

(2) When a political subdivision changes the tax rate or the local sales tax boundary, the change must become effective on the first day of the calendar quarter after 120 days' notice to sellers;

(3) When specified political subdivisions repeal an existing tax, the repeal must become effective on the first day of the calendar quarter after 120 days' notice to sellers; and

(4) When a city or county abolishes an existing tax the repeal will be effective December 31 of the same year and the director must be notified 90 days prior to the effective date.

The bill also:

(1) Authorizes the department director to retain 1% of the amount of any local sales or use taxes collected by the department for the cost of collection; and

(2) Requires the department director to perform all functions regarding the administration, collection, enforcement, and operation of all sales taxes.
