

HB 2553 -- METROPOLITAN PARKS AND RECREATION DISTRICTS

SPONSOR: Parkinson

This bill requires the board of a metropolitan parks and recreation district to compile a monthly report detailing all revenue and expenditures on a quarterly basis, a list of all projects by county and municipality, and any legal action involving the board. The report must be provided to each county and municipality within the district and must be made available to the public in an approved format. Every six months the board must present all of the previous six monthly reports to the full governing body of each county and municipality in the district.
