SPONSOR: Kolkmeier

This bill requires salvage dealers and salvage pool or salvage disposal sale operators to keep electronic records of all sales of vehicles whose titles are salvage, junk, wrecked, nonrepairable, or carries a similar brand. All salvage dealers and operators must also obtain documented proof of any required license when conducting salvage business with any person residing in a jurisdiction that does not require purchasers to be authorized to purchase salvage vehicles in that person's jurisdiction. Such records are to be submitted to the Department of Revenue. Any person who knowingly fails to report all transactions of a vehicle whose title is salvage, junk, wrecked, nonrepairable or carries a similar brand to the statewide database shall be guilty of a civil infraction, punishable by up to \$1000 per infraction.
