2 discipline pursuant to section 332.321. If the board concludes that the person or entity has

4 action, the board may file a complaint before the administrative hearing commission. The board

16 subject to discipline pursuant to section 332.321. Nothing in this subsection shall prohibit  
17 disciplinary action against a licensee of this chapter who is employed by, or contracts with, such

20 board at the time of issuance and renewal of the registration that the facility of the health center

23 standards.

24       [9]10. The board may promulgate rules and regulations to ensure not-for-profit corporations

33 health centers as defined in Section 1905(l) (42 U.S.C. 1396d(l)) of the Social Security Act, that  
34 employ persons who practice dentistry or dental hygiene in this state shall do so in accordance with  
35 the relevant laws of this state except to the extent that such laws are contrary to, or inconsistent  
36 with, federal statute or regulation.

37       345.051. 1. Every person licensed or registered pursuant to the provisions of sections  
38 345.010 to 345.080 shall renew the license or registration on or before the renewal date. Such  
39 renewal date shall be determined by the board. The application shall be made on a form furnished  
40 by the board. The application shall include, but not be limited to, disclosure of the applicant's full  
41 name and the applicant's office and residence addresses and the date and number of the applicant's  
42 license or registration, all final disciplinary actions taken against the applicant by any speech-  
43 language-hearing association or society, state, territory or federal agency or country and information

45       2. A blank form for application for license or registration renewal shall be mailed to each  
46 person licensed or registered in this state at the person's last known office or residence address. The  
47 failure to mail the form of application or the failure to receive it does not, however, relieve any  
48 person of the duty to renew the license or registration and pay the fee required by sections 345.010

1 to 345.080 for failure to renew the license or registration.

2 3. An applicant for renewal of a license or registration under this section shall:

3 (1) Submit an amount established by the board; and

4 (2) Meet any other requirements the board establishes as conditions for license or  
5 registration renewal, including the demonstration of continued competence to practice the  
6 profession for which the license or registration is issued. A requirement of continued competence  
7 may include, but is not limited to, continuing education, examination, self-evaluation, peer review,  
8 performance appraisal or practical simulation.

9 4. If a license or registration is suspended pursuant to section 345.065, the license or  
10 registration expires on the expiration date as established by the board for all licenses and  
11 registrations issued pursuant to sections 345.010 to 345.080. Such license or registration may be  
12 renewed but does not entitle the licensee to engage in the licensed or registered activity or in any  
13 other conduct or activity which violates the order of judgment by which the license or registration  
14 was suspended until such license or registration has been reinstated.

15 5. If a license or registration is revoked on disciplinary grounds pursuant to section 345.065,  
16 the license or registration expires on the expiration date as established by the board for all licenses  
17 and registrations issued pursuant to sections 345.010 to 345.080. Such license or registration may  
18 not be renewed. If a license or registration is reinstated after its expiration, the licensee, as a  
19 condition of reinstatement, shall pay a reinstatement fee that is equal to the renewal fee in effect on  
20 the last regular renewal date immediately preceding the date of reinstatement plus any late fee  
21 established by the board."; and
