18 that each municipality shall allow at least one route, with lawful traffic movement and access from
19 both directions, to be available for use by commercial motor vehicles to access any roads in the state
20 highway system. Under no circumstances shall the provisions of this subdivision be construed to
21 authorize a municipality to limit the use of all routes in the municipality. The use by commercial
22 motor vehicles of a municipality-designated route for such vehicles in compliance with any
23 ordinances of the designating municipality shall not be deemed a nuisance or evidence of a

7 defect in such vehicle, which renders it inoperable, not caused by the fault or neglect of the lessee,
8 then the lessor shall be liable on any violation for illegal parking of such vehicle.
