If a license or registration is revoked on disciplinary grounds pursuant to section 345.065, the license or registration expires on the expiration date as established by the board for all licenses and registrations issued pursuant to sections 345.010 to 345.080. Such license or registration may not be renewed. If a license or registration is reinstated after its expiration, the licensee, as a condition of reinstatement, shall pay a reinstatement fee that is equal to the renewal fee in effect on the last regular renewal date immediately preceding the date of reinstatement plus any late fee established by the board.

2. A blank form for application for license or registration renewal shall be mailed to each person licensed or registered in this state at the person's last known office or residence address. 3. An applicant for renewal of a license or registration under this section shall:

2 (2) Meet any other requirements the board establishes as conditions for license or registration
3 renewal, including the demonstration of continued competence to practice the profession for which the

8 expires on the expiration date as established by the board for all licenses and registrations issued pursuant to
9 sections 345.010 to 345.080. Such license or registration may be renewed but does not entitle the licensee
10 to engage in the licensed or registered activity or in any other conduct or activity which violates the order of
