 33 receiving state under the authority to practice interjurisdictional telepsychology.

34 4. A psychologist practicing into a receiving state under the authority to practice
 35 interjurisdictional telepsychology will be subject to the receiving state's scope of practice. A

3. A psychologist practicing into a distant state under the temporary authorization to practice shall practice within the scope of practice authorized by the distant state.

4. A psychologist practicing into a distant state under the temporary authorization to practice will be subject to the distant state's authority and law. A distant state may, in accordance with that state's due process law, limit or revoke a psychologist's temporary authorization to practice in the distant state and may take any other necessary actions under the distant state's applicable law to protect the health and safety of the distant state's citizens. If a distant state takes action, the state

1 shall promptly notify the home state and the commission.

2 5. If a psychologist's license in any home state, another compact state, or any temporary
3 authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC
4 shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state
5 under the temporary authorization to practice.

6 337.125. Conditions of Telepsychology Practice in a Receiving State.

7 1. A psychologist may practice in a receiving state under the authority to practice
8 interjurisdictional telepsychology only in the performance of the scope of practice for psychology as
9 assigned by an appropriate state psychology regulatory authority, as defined in the rules of the
10 commission, and under the following circumstances:

11 (1) The psychologist initiates a client/patient contact in a home state via telecommunications
12 technologies with a client/patient in a receiving state;

13 (2) Other conditions regarding telepsychology as determined by rules promulgated by the
14 commission.

15 337.130. Adverse Actions.

16 1. A home state shall have the power to impose adverse action against a psychologist's
17 license issued by the home state. A distant state shall have the power to take adverse action on a
18 psychologist's temporary authorization to practice within that distant state.

19 2. A receiving state may take adverse action on a psychologist's authority to practice
20 interjurisdictional telepsychology within that receiving state. A home state may take adverse action
21 against a psychologist based on an adverse action taken by a distant state regarding temporary in-
22 person, face-to-face practice.

23 3. If a home state takes adverse action against a psychologist's license, that psychologist's
24 authority to practice interjurisdictional telepsychology is terminated and the E.Passport is revoked.
25 Furthermore, that psychologist's temporary authorization to practice is terminated and the IPC is
26 revoked.

27 (1) All home state disciplinary orders which impose adverse action shall be reported to the
28 commission in accordance with the rules promulgated by the commission. A compact state shall
29 report adverse actions in accordance with the rules of the commission.

30 (2) In the event discipline is reported on a psychologist, the psychologist will not be eligible

32 commission.

33 (3) Other actions may be imposed as determined by the rules promulgated by the
34 commission.

35 4. A home state's psychology regulatory authority shall investigate and take appropriate
36 action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a
37 receiving state as it would if such conduct had occurred by a licensee within the home state. In such

39 license.

40 5. A distant state's psychology regulatory authority shall investigate and take appropriate
41 action with respect to reported inappropriate conduct engaged in by a psychologist practicing under
42 temporary authorization practice which occurred in that distant state as it would if such conduct had
43 occurred by a licensee within the home state. In such cases, distant state's law shall control in
44 determining any adverse action against a psychologist's temporary authorization to practice.

45 6. Nothing in this compact shall override a compact state's decision that a psychologist's
46 participation in an alternative program may be used in lieu of adverse action and that such
47 participation shall remain non-public if required by the compact state's law. Compact states must
48 require psychologists who enter any alternative programs to not provide telepsychology services

1 under the authority to practice interjurisdictional telepsychology or provide temporary psychological
 2 services under the temporary authorization to practice in any other compact state during the term of
 3 the alternative program.

4 7. No other judicial or administrative remedies shall be available to a psychologist in the
 5 event a compact state imposes an adverse action pursuant to subsection 3, above.

6 337.135. Additional Authorities Invested in a Compact State's Psychology Regulatory
 7 Authority.

8 1. In addition to any other powers granted under state law, a compact state's psychology
 9 regulatory authority shall have the authority under this compact to:

10 (1) Issue subpoenas, for both hearings and investigations, which require the attendance and

 12 psychology regulatory authority for the attendance and testimony of witnesses, and/or the
 13 production of evidence from another compact state shall be enforced in the latter state by any court
 14 of competent jurisdiction, according to that court's practice and procedure in considering subpoenas
 15 issued in its own proceedings. The issuing state psychology regulatory authority shall pay any
 16 witness fees, travel expenses, mileage and other fees required by the service statutes of the state
 17 where the witnesses and/or evidence are located; and

18 (2) Issue cease and desist and/or injunctive relief orders to revoke a psychologist's authority
 19 to practice interjurisdictional telepsychology and/or temporary authorization to practice.

20 (3) During the course of any investigation, a psychologist may not change his/her home
 21 state licensure. A home state psychology regulatory authority is authorized to complete any
 22 pending investigations of a psychologist and to take any actions appropriate under its law. The
 23 home state psychology regulatory authority shall promptly report the conclusions of such
 24 investigations to the commission. Once an investigation has been completed, and pending the
 25 outcome of said investigation, the psychologist may change his/her home state licensure. The
 26 commission shall promptly notify the new home state of any such decisions as provided in the rules
 27 of the commission. All information provided to the commission or distributed by compact states
 28 pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or
 29 disciplinary matters. The commission may create additional rules for mandated or discretionary
 30 sharing of information by compact states.

31 337.140. Coordinated Licensure Information System.

32 1. The commission shall provide for the development and maintenance of a coordinated
 33 licensure information system (coordinated database) and reporting system containing licensure and

40 (2) Licensure data;

41 (3) Significant investigatory information;

42 (4) Adverse actions against a psychologist's license;

 44 and/or temporary authorization to practice is revoked;

45 (6) Nonconfidential information related to alternative program participation information;

46 (7) Any denial of application for licensure, and the reasons for such denial; and

47 (8) Other information which may facilitate the administration of this compact, as
 48 determined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

4. Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information shall be removed from the coordinated database.

337.145. Establishment of the Psychology Interjurisdictional Compact Commission.

1. The compact states hereby create and establish a joint public agency known as the psychology interjurisdictional compact commission.

(1) The commission is a body politic and an instrumentality of the compact states.

(2) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

2. Membership, Voting, and Meetings

(1) The commission shall consist of one voting representative appointed by each compact state who shall serve as that state's commissioner. The state psychology regulatory authority shall appoint its delegate. This delegate shall be empowered to act on behalf of the compact state. This delegate shall be limited to:

(3) Each commissioner shall be entitled to one vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the commission. A commissioner shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for commissioners' participation in meetings by telephone or other means of communication.

(4) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(5) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 337.150.

 12 reference each relevant exempting provision. The commission shall keep minutes which fully and
 13 clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of
 14 actions taken, of any person participating in the meeting, and the reasons therefore, including a
 15 description of the views expressed. All documents considered in connection with an action shall be
 16 identified in such minutes. All minutes and documents of a closed meeting shall remain under seal,
 17 subject to release only by a majority vote of the commission or order of a court of competent
 18 jurisdiction.

 8 incurred during the period of default.

9 (3) Termination of membership in the compact shall be imposed only after all other means
 10 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
 11 submitted by the commission to the governor, the majority and minority leaders of the defaulting

10 4. Nothing contained in this compact shall be construed to invalidate or prevent any
11 psychology licensure agreement or other cooperative arrangement between a compact state and a
12 noncompact state which does not conflict with the provisions of this compact.

13 5. This compact may be amended by the compact states. No amendment to this compact
14 shall become effective and binding upon any compact state until it is enacted into the law of all
