

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Committee Bill No. 1, Page 46, Section 475.084, Line 75, by inserting immediately
2 after all of said section and line the following:

3
4 "478.004. 1. As used in this section, "medication-assisted treatment" means the use of
5 pharmacological medications, in combination with counseling and behavioral therapies, to provide a
6 whole patient approach to the treatment of substance use disorders.

7 2. If a drug court or veterans court participant requires treatment for opioid or other
8 substance misuse or dependence, a drug court or veterans court shall not prohibit such participant
9 from participating in and receiving medication-assisted treatment under the care of a physician
10 licensed in this state to practice medicine. A drug court or veterans court participant shall not be
11 required to refrain from using medication-assisted treatment as a term or condition of successful
12 completion of the drug court program.

13 3. A drug court or veterans court participant assigned to a treatment program for opioid or
14 other substance misuse or dependence shall not be in violation of the terms or conditions of the drug
15 court or veterans court on the basis of his or her participation in medication-assisted treatment under
16 the care of a physician licensed in this state to practice medicine."; and

17
18 Further amend said bill and page, Section 478.463, Line 7, by inserting immediately after all of said
19 section and line the following:

20
21 "487.200. 1. As used in this section, "medication-assisted treatment" means the use of
22 pharmacological medications, in combination with counseling and behavioral therapies, to provide a
23 whole patient approach to the treatment of substance use disorders.

24 2. If a family court participant requires treatment for opioid or other substance misuse or
25 dependence, a family court shall not prohibit such participant from participating in and receiving
26 medication-assisted treatment under the care of a physician licensed in this state to practice
27 medicine. A family court participant shall not be required to refrain from using medication-assisted
28 treatment as a term or condition of successful completion of the family court program.

29 3. A family court participant assigned to a treatment program for opioid or other substance
30 misuse or dependence shall not be in violation of the terms or conditions of the family court on the
31 basis of his or her participation in medication-assisted treatment under the care of a physician
32 licensed in this state to practice medicine."; and

33
34 Further amend said bill by amending the title, enacting clause, and intersectional references
35 accordingly.
