Officials from the **Missouri Department of Conservation (MDC)** estimate the proposal would have an unknown impact on MDC funds.

Officials from the **Springfield Police Department** assume the proposal would not fiscally impact their agency.

Officials from the **Cole County Sheriff's Department** assume this proposal may result in a slight reduction in labor, and would have a positive fiscal impact.

Officials from the **Department of Public Safety** state that after the POST Commission held six public hearings around the state, they are no longer on a three year/48 hours of POST certified continuing education training requirement. The education requirement effective January 1, 2017 is 24 hours of POST certified training every year, with an annual reporting.
