FISCAL ANALYSIS

ASSUMPTION

Sections 311.020, 311.185, 311.188 and House Amendments 2, 3, 4 & 5:

Officials from the **Department of Public Safety (DPS) - Alcohol and Tobacco Control (ATC)** assume these provisions would not fiscally impact their agency.

House Amendment 1 - Alcohol Carrier License:

Officials from DPS - ATC state there are currently 1,162 active wine direct shipper licensees and 6 active alcohol carrier licensees. ATC assumes that 40% of the wine direct shipper licensees who ship very little wine into Missouri will not apply if they are required to pay a \$100 annual fee. ATC estimates collections of \$72,800 annually from licensing fees, 698 (1,162 x .60) wine direct shipper licenses X \$100 license fee totaling \$69,800 and 6 carrier licenses X \$500 license fee totaling \$3,000, with 70% of collections going to the ATC Dedicated Fund in the amount of \$50,960 and 30% of collections going to the General Revenue Fund in the amount of \$21,840 as provided for under section 311.730.

FISCAL IMPACT - Small Business

Certain small alcohol-related businesses could be impacted by this proposal.

FISCAL DESCRIPTION

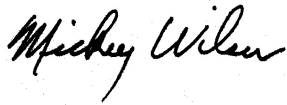

House Amendment 1 makes changes to the law regarding wine direct shipper licenses. The bill requires a \$100 per year licensing fee. It also requires a winery located out of state to make monthly rather than yearly reports to the supervisor of alcohol and tobacco control listing the total amount of wine shipped into the state.

Under this bill, an alcohol carrier license would be required in order to transport and deliver shipments of intoxicating liquor directly to a resident of this state. The bill sets out certain requirements the alcohol carrier licensees need to meet, including obtaining the signature of a person at least 21 years of age as a condition of delivery. Under this bill, intoxicating liquor can only be shipped from a wine direct shipper or licensed retailer. However, a retailer without an alcohol carrier license can deliver directly to a resident under certain circumstances.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
