FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Elementary and Secondary Education** assume there is no fiscal impact from this proposal.

Officials at the **Forsyth R-III**, **Renick R-V** and the **Kirksville R-III** school districts each assume an unknown negative impact.

Officials at the **Kansas City**, **West Plains** and the **Wright City R-II** school districts each assume there is no fiscal impact from this proposal.

Oversight notes that §160.440 creates a process where students who seek admission to a magnet school must be given equal chance to be admitted (like a lottery system). Creation of this process would not have a fiscal impact.

Oversight notes in §160.665 through §168.211 duties that are currently handled by Superintendents would be transferred to the district's school board. Oversight will not show a fiscal impact from these changes.
