FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of Administration - Personnel** assume this proposal would not have a fiscal impact on their organization.

Officials at the **Department of Corrections, Department of Health and Senior Services, and Department of Mental Health** each defer to Office of Administration - Personnel for a fiscal impact.

Officials at the **Attorney General's Office** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials at the **Office of Administration - Purchasing, Department of Labor and Industrial Relations, Department of Public Safety - Highway Patrol, Department of Public Safety - Missouri Veterans Commission, Department of Social Services, Joint Committee on Administrative Rules, Department of Conservation, and Department of Transportation** each assume this proposal will not have a fiscal impact on their respective organizations.

Officials at the **Bi-State Development Agency** assume this proposal will not have a fiscal impact on their organization.
